

Volunteers needed to help update North Avondale Master Plan

Description

NANA is looking for members of the community to help update the North Avondale Master Plan. This is a great opportunity for members of the North Avondale community to participate and provide input on the future of the community. The North Avondale Master Plan was originally written in 1974 and the North Avondale Reading Rd. Urban Design Plan was written in 1995. In 2019, update of the project was put on hold due to lack of resources. The new project team will be working with a city of Cincinnati planner and other members of the community to revise and update the plan. Anyone with planning or outreach experience would be especially appreciated.

Review the current plan here.
