PRESIDENT'S MESSAGE

There were so many of them! Cookies were everywhere as well as candy, plastic wrap, bows, ornaments and volunteers circling the tables, arranging and rearranging. When the powdered sugar finally settled, over twenty huge cookie trays were tenderly loaded into the back seats and vans of delivery folks. It was stunning, a delicious gift to our neighbors from our neighbors.

I helped deliver here and there, alone as probably everyone else did, but I didn't expect to be humbled, as when I stepped out of the car with my last tray.

Searching for an address, it was cold, I was bushed, and it was dark. Balancing the tray, locking & alarming the car, I clutched my purse and shivered in the darkness. Picking my way to an old apartment building, I spotted a dim porch light. Reaching for the doorbell, I spotted a dark shape approaching from the side. My tongue went dry, as a very tall, male youth, dressed in a black hoody and jeans with cuffs that danced on the pavement approached. "You lookin' for something?" he asked.

The thought flashed past my brain that

maybe I should throw those cookies at him and hightail it to my car. Instead I weakly said: "Is this the Lighthouse?" "Yes," he responded, "can I take you to the manger?" I breathed.

Inside, a delightful woman and a spotlessly clean reception area greeted me as the young man sniffed at the cookie tray. Explaining I was from NANA with home-baked goodies, the manager eagerly accepted the tray, noting our perfect timing. "You see," she said, "tonight is our Christmas dinner for all the boys who live here at the Lighthouse. These cookies are the best dessert ever!"

Relieved that my task was over, I pushed open the storm door to make a fast get-a-way when I heard a soft voice from behind. "Thank you ma'am," he said, "it smells just like my momma's".

NORTH AVONDALE 2006 LUMINARY STROLL
By Michelle Baxter

The luminary "tradition," on December 11th last year was once again a glowing success! The evening was quite magical because families enjoyed walking throughout the area creating a fun spirit and a harmonious balance. The light from the candles paved the way for family, friends and neighbors to enjoy the continuous stream of light through parts of our neighborhood. The streets North of Mitchell that participated were Avon Fields, Beechwood, Betula, Rose Hill, and Red Bud. A special thanks to Carolyn Gillman, Luminary Coordinator, and her amazing committee: Monica Blackburn; Tracy Conway; Deborah Ginocchio; Cindy Khoo-Robinson; Carol Meadows; Bobbie Paul; Judy Pennington; Jolene Struebbe; Vanessa Wayne and Valerie Williams. This was their third year in a row of achieving 100% success with illuminating their side. The streets South of Mitchell that participated were Burton Woods Lane, Part of Clinton Springs, Leyman Drive and Red Bud. Michelle Baxter, Luminary Coordinator was 98% successful for the first year on their side. A special thanks to Sue & Ben Blaney, Grace & Brian Hill, Duane & Ann Keller, Jeff & Mary Ann Knoop, Mary Ohlinger-Pray, Dirk & Marcia Pastoor, Linda & Doug Sawan and to my husband Darren for their support and energy serving on the committee. Most of all thanks to all the neighbors for their support and participation. The more neighbors get together and get involved the safer and more connected we all are.

For the residents that missed out in taking part in this festive event last year, you will have the opportunity to participate this year! It is exciting to share the news of a plan to expand the territory which will include more streets within our community. The NANA Executive Board has voted to endorse our 2006 luminary event. The purpose of the luminary is to illuminate the neighborhood, have neighbors meet and visit with one another as well as also show off our gorgeous neighborhood. There are many other positive benefits that the luminary will bring to our community by expanding the territory. Most importantly, the money raised this year will not go to the Junior Woman's Club of Wyoming to benefit their local charity but will go back into our neighborhood for NANA projects and stay within our community. The luminary can enhance safety, and may even help to decrease crimes within our community. By expanding the territory of having the luminary in North Avondale, it will also help to set up sub-committees of Block Watches that often serve as the foundation for block parties, neighborhood progressive dinners, a passeggiata and other neighborhood bonding throughout North Avondale.

In order to keep our success rate high, we must form sub-committees. We are in need of volunteers to take charge of the new territories. We need street captains, and volunteers to serve on the bag, sand and candle committees. If you are interested in serving on a luminary committee and want your street to participate this year, please contact Michelle Baxter at 475-0441 for more information on committee responsibilities. I look forward to having continued support and new ideas in making the vision of our Cincinnati neighborhood shine the brightest.

NANA is forming a **Nominating Committee** to select the slate of elected officers for the North Avondale Neighborhood Association 2006/2007. We welcome any neighborhood individuals who are interested in serving on this committee or perhaps being an officer. If interested, please call the NANA Office at 221-6166 and leave a message or send an email to clmorse@fuse.net.

We have wonderful dogs living in North Avondale but everyone doesn't love your **dog barking all day** while you are away just because they come out into their yard or someone walks past your home or your dog running on their property or public spaces and leaving behind their waste. Some people are afraid of dogs. Some people like to walk their own dogs but can't because your dog is free to run after their dog. **Please be a good neighbor** and keep your dog indoors (a dog kept indoors is more threatening to an intruder), always cleanup after your dog, use a leash and keep your dog secured when in your own yard. We have the following City Ordinances for good reasons.

701-27. Loud Dog No person shall harbor or keep any animal of the **dog** kind which by loud and frequent or habitual barking or yelping shall cause serious annoyance or disturbance to the neighborhood

701-2. Leash Required The owner or harbinger of a harmless **dog**, not on the premises or in a motor vehicle, shall keep said **dog** on a leash of such length to keep the **dog** from annoying others. A harmless **dog** may be unleashed if either of the following is applicable: a. The **dog** is in training, a competition, or show or b. The **dog** is on property with the permission of the property owner.

701-30. Dog Excrement Removal No person shall allow a **dog** under his or her control to be upon public property or upon the property of another, absent the consent of the owner or occupant of the property, without some device for the removal and containment of such dog's excrement; nor shall any person fail to remove any excrement deposited by any **dog** under his or her control on public or private property.

701-33. Animals or Fowl Damaging Gardens and Lawns. No person owning or harboring one or more **cats, dogs**, other animals or fowl shall permit such **cats, dogs**, other animals or fowl to run at large so as to do damage to gardens, lawns, shrubbery or other private property.

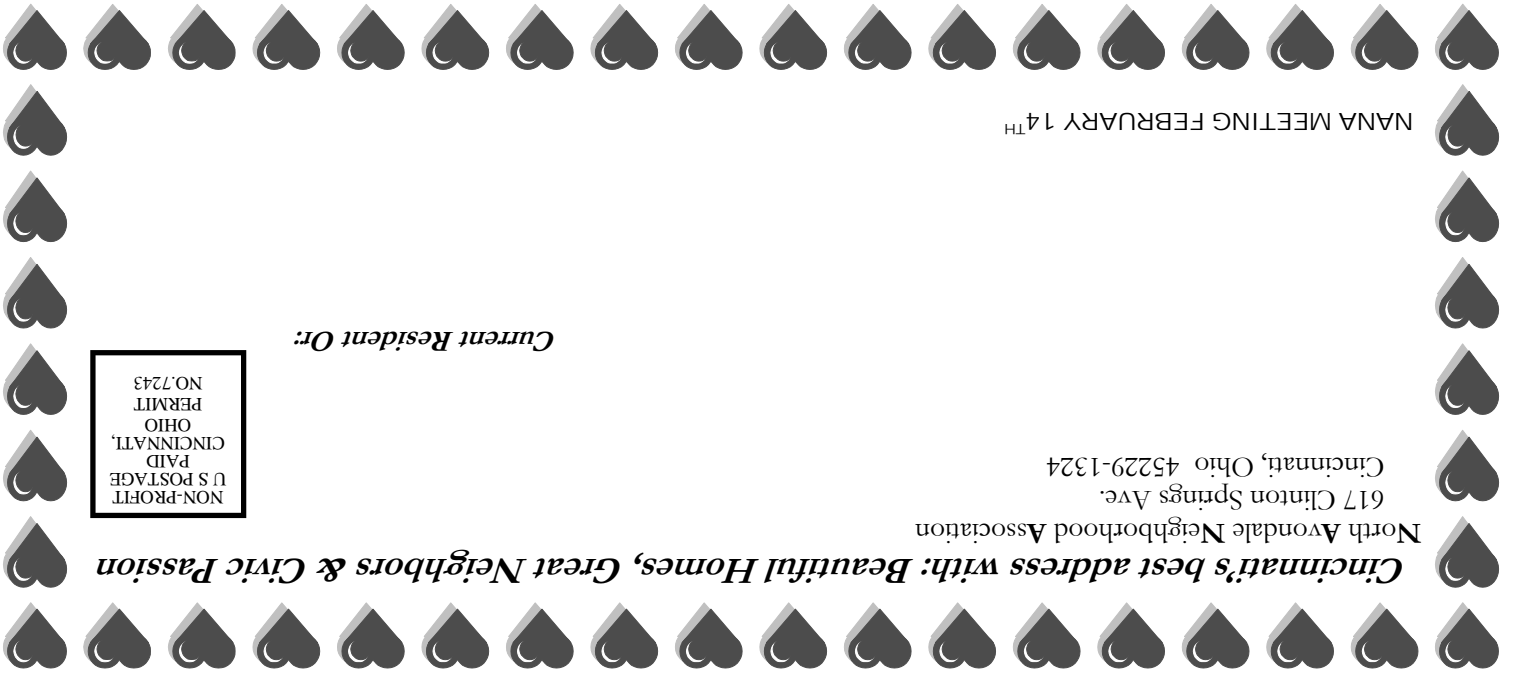

701-4. Dangerous Dog to be Properly Confined or Leashed The owner or harbinger of a dangerous **dog** shall keep said **dog**:

- a. When outdoors and on the premises in a securely fenced area or on a leash controlled by a competent adult
- b. When not on the premises, securely restrained with a leash, not exceeding six feet in length, and under the control of a competent adult.
