PRESIDENT'S MESSAGE

So far, I know about four of them – but there's probably more. A phenomenon known as block or street parties.

- Burton Woods blocked off their street and had a ton of folks show up with salads, cheese balls, hot dogs and hookahs.
- Parker Ave. was a first and it was more than just Parker. There were neighbors from Ardmore, Dickson, Warwick, and some other "A" street along Mitchell. I showed up with George in tow and spotted Amy sweating over a grill dispensing hot dogs. George ate goat cheese and didn't even know it.
- Rose Hill, Red Bud, Avon Fields & Beechwood, yuk it up every year at Lois and Mel's. Some guy named Dave shows up with some great tasting home brew and the rest is probably not for news.
- To top it off - a Farm Party over by Winding Way, featuring ponies, pigs, bunnies; a barnyard of happy kids, and boot-scootin' parents.

I talked with Ellen whose house doesn't face the street; Tim just back from Thailand; Charlie and his twin granddaughters; Walt, who looks like Norman Rockwell, a family from Syria, a get-out-the-vote Democrat and a 4-more-years Republican. Just neighbors, not necessarily friends, sharing a weekend respite. Neighbors, caring enough about their piece of the street to show up and meet each other.

An amazing piece of real estate – North Avondale. I love living here.

NANA REQUESTS SEPARATE NORTH AVONDALE LISTING IN THE MULTIPLE LISTING SERVICE Excerpts From The Letter By Heather Herr

A letter was written on behalf of the North Avondale Neighborhood Association and several real estate agencies requesting that the Multiple Listing Service add the suburb North Avondale to area E01. This addition is requested because of documented city boundaries, city recognition, and the Hamilton County Auditor all stating a distinction between the suburb of Avondale and North Avondale.

Housing availability in North Avondale is different from housing in Avondale as proven by the sale prices and property comparables. North Avondale Neighborhood Association's motto, "Cincinnati's best address with: Beautiful homes, great

CITY'S RECYCLING SUCCESS = NANA'S RECYCLING DEMISE By Gerry Kraus

After 22 consecutive years NANA's recycling program has ended – a consequence of its own success that parlayed into the city's popular citywide recycling program. First started in August, 1982 to fill a need when a recycling project at the University of Cincinnati closed, NANA's recycling program collected newspaper, magazines, #1 and #2 plastic containers and aluminum cans for several years. Not only did this activity serve the needs of environmentally-conscious residents and provide some money to NANA, but it provided jobs for many neighborhood youth who worked at NANA's recycling station. After the city began a limited recycling program in 1989, NANA confined its recycling efforts to collecting "mixed paper". Now that the City has added mixed paper to the recyclables it will collect curbside, the NANA Board has voted to retire its recycling program and to divert money earmarked for recycling to other projects. NANA was also instrumental in getting a PERMANENT DROP OFF STATION located at the North Avondale Community Center, 617 Clinton Springs – at the far end of the parking area adjacent to the soccer fields – for apartment dwellers and others who do not qualify for the city's curbside recycling pick-up. The Drop Off Station is open 24 hours/7 days. Once again North Avondale has led the way initiating a service that eventually evolved into a publicly supported city service!

Editors Note: Thank you to all the NANA Volunteers who helped with this program over the years. A special thank you to the 2004 Volunteers: Janet Banks, Betsy Gotwals, Heather Herr, John Jones, Spencer Konicov, Ryan McGinnis, Cindy Starr and Mike Walton.

Added Note:

- If you shred your paper, put it in a bag, preferably paper.
- If you need a bin, call 242-4401
- If you have a lot to recycle put filled paper bags on or next to your green bin.
