Aggregation of services – city can aggregate for customers (Duke) or find another vendor.

MSD and the City residue is burned in an incinerator; other stuff is placed in the river. Trucking the crap is \$2.5m/year. Keep Little Miami incinerator open so we won’t have to truck the “crap” through the city.

Chronic nuisance law – repealed before he was sworn in. Trying to figure out how to resurrect the code.

Police report– Officer Hamann – 3652 Reading TTW – continue to build a case of misconduct inside the building. Captain Paul Broxterman – new captain/commander of District 4 been here 27 yrs.

Blake Brown – NA Rec Center - # attending after school camp is up 35%. Focus is on 50+ age group. Currently working with a 3-month calendar. Wants to spruce up the lobby furniture. Fridays, the Rec Center is open until 9:00 p.m. Recreation is not in favor of staying open that late.
