The NANA News is a free, eNewsletter sent one time per month letting you know that a new batch of the latest community-driven stories and events has been published on the North Avondale Neighborhood Association website.

You do not have to be a North Avondale resident, NANA member or pay dues to receive this newsletter, however we appreciate your contributions as the newsletter is one of the community nonprofit's largest expenses. The newsletter is written and produced by a website team of mostly volunteers.
