

Around the Neighborhood: November 2020

Description

I'd like to share how fun and easy it is to participate in **Keep Cincinnati Beautiful's Adopt-a-Spot** program. You select the area you'd like to keep cleaned up—it could be a small one, like your own street or part of a park. You commit to cleaning it up once a month (any more is up to you). KCB provides you with gloves, buckets, bags, pickers—you name it! And they will even put up a sign thanking you for adopting the spot!

This photo shows my young family members Zuri and Jasper after one of our "pick a stroll." You can find details about the Adopt-a-Spot program at keepsincincinnatibeautiful.org/programs/great-american-cleanup/adopt-a-spot.html

REMINDER CONCERNING RAKING LEAVES

Under the City Municipal Code, raking leaves into the street or right-of-way is prohibited and is **PUNISHABLE BY LAW.**

- Please compost yard waste at home whenever possible.
- Your yard waste is collected every other week on your recycling day.
- Make sure to put it in a separately marked container or the special paper bags.
- Also this is a good time trim hedges and plants that have grown out over the sidewalks making it difficult to walk safely and easily.
