

Beautification: Adopt-A-Pot

Description

Cincinnati's Best Address; Beautiful Homes, Great Neighbors, and Civic Passion

Dear North Avondale Resident:

The North Avondale Neighborhood (NANA) and Business Associations (NABA) are very excited to partner again with Cincinnati Parks on maintenance of the Reading Road flower pots. Cincinnati Parks has a history of creating some fabulous pots as evidenced by their beauty through the seasons.

The Cincinnati Parks provides half of the funding to maintain these flower pots, and provides three seasonal displays, on-going maintenance and watering. In order to cover the flower pot costs, NANA is asking for private donations of \$250 per pot from the generous residents and businesses of North Avondale through the new Adopt-A Pot program. This year, donations are needed to sustain the program for our neighborhood due to rising costs in materials and supplies.

Why should you consider the \$250 Adopt-A-Pot program?

- The presence of the flower pots is welcome to our neighborhood along its most visible thoroughfare, Reading Road and the Red Bud Ave. pillars.
- Sponsoring or adopting a pot shows the civic passion evident throughout our community, known for being Cincinnati's Best Address.
- The seasonal change of the pots, well-kept appearance and design show that our neighborhood cares and respects the beauty of our community.
- Your donation is tax deductible and will be used solely for the upkeep and maintenance of the pots.

It's a tall order to raise the funds, but we know that North Avondale will be generous as always because we live in the finest Cincinnati neighborhood!!

Thank you for your support,

Jennifer Harten
