North Avondale Litter Report: December 2021

Hey neighbors!

As promised I wanted to share a photo from Xavier's Community Action Day this past October of all the wonderful students, faculty, and families that came out to help North Avondale. Thanks again!!

Adopt-a-Spot

I've also taken time this past month to create a map of all of the streets Keep Cincinnati Beautiful has

record of Adopt-a-Spot volunteers in North Avondale. I had to guess at some of the walking routes, so this might not be 100% accurate. Feel free to update the map with your actual route if you'd like! Here's a [link](#) to the map. It should allow you to edit.

I also want to say a special thanks to **Zeta Phi Beta Sorority Beta Eta Chapter, The Schilling Family, "the Magic Three", "A Friend and Advocate", Vivian and James Anater, and our Wedgewood Neighbors!** Thank you so much for your hard work! Remember to log your results with KCB [here](#) so they know how great we're doing! Thanks guys!

With the weather cooling down I know it can be harder to get outside, but let's do our best to not let the litter build up! You can Adopt a Spot [here](#) – thanks again to everyone who has signed up!"

Your friendly neighborhood litter chair, Coral (coral.a.weigel@gmail.com)
