Hello North Avondale Neighbors!

Fall leaves are coming and the weather is getting cooler! Cincinnati Parks is providing flowers for our neighborhood flower pots and **we need your help!** We are planning to **plant pansies and cabbage plants** in the flower pots on two days, **Saturday, October 17, and Wednesday, October 21st, 9:00 am - 11:00 am**. The meeting place will be at **Weston Wolf's home at 3895 Reading Rd.** behind the house in the parking area. We need your help to get the pots planted.

In addition, we also need North Avondale neighbors to Adopt-A-Pot and ensure they get watered a few times before winter. Paddock Hills has successfully maintained their flower pots all summer and we can too!!

Winter will be here soon and we hope to enjoy the flower pots for a few more months and possibly early spring too.

Please sign up to care for a pot.

Thank you Beth Ewing for working with the Xavier X-Change students the next week at the Washington Triangle. Your never ending dedication is truly appreciated!

This Wednesday, on the 7th, they trimmed back the trees along the North Avondale sign, picked up trash and cleaned up the Marion Triangle garden. The sun was shining and it was a beautiful and productive morning. Thank you **Carolyn Gillman** for working with the **Xavier X-Change students** this week.

Sarah Koucky (Rose Hill Ave.)

NANA and Keep Cincinnati Beautiful supplied everything needed for **Saturday's Trash Social on September 26**. Thank you, North Avondale residents! Here's a partial pile of what 30+ volunteers picked up on area streets in today's Trash Social. It was amazing to see so many enthusiastic kids rocking litter-pickers!
