

Cincinnati Nature Center Garden Tour: Noteworthy Natives

Description

default watermark

Cincinnati Nature Center Premier garden tour on June 22, 2024, presented by Wimberg Landscaping Company and Fort Washington Investment Advisors, Inc., featured ten magnificent gardens that incorporated native plants in unique and creative ways. Locations included North Avondale, Blue Ash, Loveland and Indian Hill. Each guest received a Garden Self Tour program booklet.

Three locations in North Avondale were featured, Denny Harper and Kim Hubbardâ??s garden at 3946 Rose Hill Ave., James Huebner and Susan Kenfordâ??s lovely garden at 3961 Winding Way and Ben and Sue Blaneyâ??s garden at 35 Burton Woods Lane. The weather was beautiful and everyone had a lovely tour of the gardens.
