

## Do You Have a Story to Share About Life in Avondale?

### Description

The Avondale History Project is currently looking to collect oral histories from individuals who grew up in Avondale. If you or anyone in your family has a story to share about life in Avondale, please contact project coordinator, Dr. Anne Delano Steinert, at [steineao@ucmail.uc.edu](mailto:steineao@ucmail.uc.edu). We'd love to discuss how we can work together to preserve your stories and memories! You can learn more about the Avondale History Project by visiting our website [www.uchistorylab.com/avondalehistory](http://www.uchistorylab.com/avondalehistory).
