

Excited to Be a Part of the Community!

Description

default watermark

I feel fortunate to be a new member of the North Avondale community after recently acquiring a property on Reading Road. I wanted to take this opportunity to introduce myself and share that I currently have a bright and airy apartment available for rent in a well-maintained building. This totally renovated unit is centrally located in a walkable area that is close to parks, convenient transit options, and local businesses. My goals as a property owner are to continue enhancing the property and to contribute positively to the neighborhood since I chose North Avondale for its vibrant residents and great reputation.

If you or someone you know is looking for a new home, please feel free to reach out!
