R**osemaryâ??s Babies Company** is reaching out to our city, community partners, friends and family requesting your online presence for the **2020 Legends Showcase: Covid Edition.**

This event is being LIVESTREAMED from Cincinnatiâ??s 20th Century Theater right into your homes to keep you safe. Proceeds from this event support housing for our babies, newborn to twenty. This is a unique project for our city as 30% parenting children are homeless, housing insecure, or live with someone other than a parent. Housing is essential.

This **Saturday, November 7, 2020 at 5:30pm** the Pre-show kicks off with DJ Vader. Then at 6pm we open our show w/ Charice Rodgers, Makenzie Thomas of The Voice & The Former Ladies of The Supremes.

Please watch, share, and care enough to give.

Join us for the **Great Cincy Race, Nov. 14th from 12-4 pm** to find out!

The Great Cincy Race is a socially distanced city-wide scavenger-hunt adventure, where teams compete in fun games to earn clues that send them to their next location. Each location is selected to feature a â??hidden gemâ?• of Cincinnati â?? places that are often overlooked but still help our Queen Cityâ??s crown shine. The teams that figure out the clues and finish first will win big prize!

â?• **Cincinnati Symphony Orchestra Sat Nov 21 | 8:00 pm EST livestream premiere**

Louis LangrÃ©e and the CSO are back in Music Hall for a digital performance featuring Anthony Davisâ?? poignant and powerful You Have the Right to Remain Silent with recent Avery Fisher Prize winner and clarinet soloist Anthony McGill. Ohioan Julia Perryâ??s music opens the program followed by Schubertâ??s intensely personal Unfinished Symphony.
