

Green Cincinnati Plan: September 2022

Description

Good morning Cincinnati Community Council members,

I am Michelle Balz, Solid Waste Manager for Hamilton County R3Source and the chair of the Zero Waste Subcommittee for the Green Cincinnati Plan (GCP). Cincinnati leaders are working hard to pull in as much public input into the new updated GCP as possible, which is where you come in. We have two meetings coming up to specifically talk about the Zero Waste section of the GCP:

- **#1: Wednesday, September 7, 2022, 6:00 – 7:30 PM, Price Hill Library (970 Purcell Avenue, Cincinnati 45205)**
- **#2: Wednesday, October 12, 2022, 6:00 – 7:30 PM, location to be determined**

Green Cincinnati Plan Zero Waste Subcommittee Meeting

September 7, 2022

6:00-7:30 PM

Price Hill Library

970 Purcell Avenue | Cincinnati 45205

Join us for this upcoming meeting as we form the 2023 Green Cincinnati Plan! Provide your input and help prioritize ideas in this important planning process. We need your help to build a more sustainable, equitable, and resilient City!

Learn more at www.greencincinnatiplan.org

Event is coordinated by
the following partners:

Please join us and share your ideas on how Cincinnati can divert more waste from the landfill and advance sustainability, equity, and resilience in our city. Please also consider sharing this email and the attachment with others who may be interested. Visit the [Green Cincinnati Plan website](http://www.greencincinnatiplan.org) for more information and to see the details of other focus area meetings.
