

## Home Repair Loan Program

### Description

The Local Initiatives Support Corporation (LISC) of Greater Cincinnati has a low interest **Home Repair Loan Program: Revive + Thrive** that is quickly coming to an end. This program is open to **residents of both City of Cincinnati and Hamilton County** and provides a super low interest home repair loan to homeowners who may not be able to get financing elsewhere to make critical repairs to their homes. They are looking for homeowners with at least a 560 credit score and make at most 80% of the local area median (\$80,550 for a family of three) for this unique loan product. This program will end on June 30. For more information about the program, please visit: [www.HamiltonCountyHome.org](http://www.HamiltonCountyHome.org) or [www.CincyHome.org](http://www.CincyHome.org) for FAQs and other details.

They are also hosting a short flash webinar on **Wednesday June 17, 2026 from 12pm to 12:30pm** so interested homeowners can learn more information about the Revive + Thrive Home Repair Loan Program
