

Mill Creek Virtual Tour: February 2022

Description

default watermark

It sure is cold outside! Why not stay indoors and explore the Mill Creek on this virtual tour!

There is so much to see and do on the Mill Creek. This map allows visitors to explore the creek virtually. Plan your next trip to the creek using this map. Find paddle, peddle, and hiking opportunities. Read interesting stories and history about the creek. ENJOY!

Special thanks to videographer Chauncey Luce for his hard work on this project.
