

NANA & NABA Holiday Community Social

Description

Many thanks to all who attended the NANA and NABA holiday community social and joint general meeting. We closed out and celebrated the year together on December 13, 2022. It was great seeing so many community members reconnecting and engaging—in person—while enjoying the delicious food and festive holiday punch from Jennifer Hughes, LLC. The meeting and community social were especially appreciated by all after last year's virtual meetings. It was great to see so many North Avondale residents turnout for the event. Thank you for all you do to make North Avondale shine!

Best wishes for a great year ahead North Avondale!
