Honoring Robin Pearl II on Burton Avenue

At the November NANA Meeting, Robin Pearl asked NANA for support in honoring her daughter Robin Pearl II who was shot and killed on Burton Avenue on June 15, 2015 at the age of 18. She was at the wrong place at the wrong time and was not the intended victim. Here are some articles on the incident:

- https://gunmemorial.org/2015/06/15/robin-pearl

She would like to place a honorary street sign with her daughterâ??s name on Burton or at Burton & Reading. In our neighborhood, we already have plaques and signs commemorating and honoring people.
