

NANA welcomes new beautification chair

Description

default watermark

Please welcome Bridget McComas as the new beautification chair for North Avondale Neighborhood Association.

Bridget moved to North Avondale in 2014 and lives with her husband, Mark and son, Phil. Phil will be entering the eighth grade at Walnut Hills High School in September. Bridget loves working for Cincinnati Public Schools and is currently working on her backyard gardens.

As the beautification chair, Bridget will support all the NANA gardeners and work with the Cincinnati Parks to manage the Flower Pot program along the business district on Reading Road. The beautification team still needs gardeners for a few small areas like the Dana Roundabout and the Washington Triangle.
