NAM Annual Family Camping Trip was on Saturday, October 1, 2022 at Morgan's Riverside Campground.

Thanks to everyone that joined us on the campout. You were a great group and made it a pleasure to lead. And special thanks to John Donaldson for bringing firewood and coffee pots! I'm not sure, but I think the kids had fun with s'mores and glow sticks.

After a COVID break the past couple years, we went back to Morgan's Campground near Fort Ancient! This is a great place just 12 miles past Kings Island. It is right on the Little Miami River for swimming and canoeing.

Our camping area has a a big shelter with lots of picnic tables, a fire pit with benches (s'mores!), and a playground, so it will be lots of fun. The NAM father's group sponsored the trip including the shelter and dinner, so thanks to them.
