Hello Neighbors,

We made it to 2021! As things slowly begin to move toward normalcy NANA is looking hopefully toward the future and being able to gather with our neighbors once again. In the meantime we are working on creating some fun events that we can all participate in safely while building a sense of community even at a distance.

This monthâ??s Neighborly Love event is a great opportunity for North Avondale to show the spirit that makes this such a wonderful neighborhood. In partnership with Ronald McDonald House, we are making Valentineâ??s Day a true celebration of love for folks who surely need a reminder while dealing with the stress of a sick child. All of the details on how to participate are below. We would love for you to contribute!

One other piece of news is the addition of Ryan Jarrell to the NANA board. Ryan is filling our vacant Corresponding Secretary position. We are thankful for his willingness to volunteer! There is a note from Ryan below (In *From Your Neighbors)* introducing himself, so be sure to check that out.

Please be sure to join us via Zoom for this monthâ??s meeting to hear more about all of the ongoing projects in North Avondale. See you there!
