

Thanks Cincinnati Symphony Orchestra for partnering with North Avondale

Description

On July 19, 2024, North Avondale friends and families were the happy recipients of a Brady Block Party, part of the Cincinnati Symphony Orchestra's summer concert series, CSO Brady Block Parties are completely free.

The music and weather were perfect for enjoying the outdoor concert, which was held at the North Avondale Recreation Center. In addition to the lovely music, the CSO provided entertainment for the children, including bouncy rides and arts and craft projects. Everyone also enjoyed food trucks, ice cream, popcorn and cotton candy.

The concert was one of five throughout the summer and the first in North Avondale. The crowd was a melting pot of ages and experiences — reflecting the CSO's mission of diversity and inclusivity.

“No matter where you live, no matter your age, no matter your race or ethnicity, we want everybody to feel like the Cincinnati Symphony Orchestra is for me,” said Harold Brown, Chief DEI officer of the Cincinnati Symphony Orchestra.
