The Gay Gourmand

Description

My name is Mike Montano and Iâ??m a baker/cook who recently started my own website, The Gay Gourmand, where I share recipes and techniques. Itâ??s a fun passion project of mine and Iâ??m learning lots about flavor and pastry techniques; I plan on bringing some of my sweets to the annual BBQ in October. I want my North Avondale neighbors to know Iâ??m more than happy to be a resource if they ever have baking/cooking questions or have a need to order pastries for any events.
