The New School Montessori has a long history of listening to childrenâ??s ideas. And there are numerous forums where children can voice concerns and work for change. Morning meetings are held in every level and are good places to discuss what is working and not working in a classroom. Our (9-12) students often share their concerns with their elected student senate members who bring those issues to the fore.

Quite a number of years ago, a student pointed out that the word â??fortâ?• is incongruous with The New School and our peace-loving ways. These structures that kids had been building since 1970 needed a different name. The word â??hutâ?• was suggested, and thatâ??s what weâ??ve been calling them ever since. We are grateful for this studentâ??s insight.
