- Appreciation Dinner changed invitations to go out.
- On October 27th 'Do Right Campaign' began, this is a program which involves exercise, generally promoting healthy lifestyles.
- Holiday camp, will be two weeks this year, from 7a.m.—6p.m.

Officer Jana Cruse—

- Crime stats are looking good.
- There have been several copper thefts from empty houses; suggest that homes be secure, use of burglar alarms or dogs, watch empty homes that are near you.
- Last District Four resource meeting a couple of neighbors voiced their concern around the noise and conduct of XU students. Complaints: 990 Dana, loud party, XU having a hearing this evening, neighbors were there to testify, apparently two neighbors from two separate houses were allowed to testify. In Sept. & Oct. there were many complaints, about loud partying. Vice has been involved looking for underage drinkers.
- Scott Brawer? Who owns the property, says that there is nothing he can do, its XU's responsibility. Properties may fit the nuisance law.
- The procedures for reporting complaints of off campus disturbances were outlined in the November Newsletter.
- Speeding on Winding Way, seems to be residents rather than students, laser/radar has been used, will give warning tickets.
- Speed bumps, city does not provide monies for. Those in Hyde Park were installed sometime ago, when there was money in the budget for humps.
- On Oct. 13th on Dickson, a Honda was totaled. Would like speed humps/or a couple of 25mph speed signs.

Madeleine Moxley—

- Requested the support from NANA for the shootings in Avondale. The support is to participate in the CEASE FIRE protest to let all know that the shooting as not okay. There will be two protest marches on Wednesday
