PRESIDENT'S MESSAGE

Dear neighbors,

Finally, April is here with warmer weather. We are looking forward to see the neighborhood spring back to life outdoors again. Our flower pots have been planted along Reading Road, and it looks great.

The beautification committee is organizing NANAs main spring clean-up day on **April 25**, so we hope to see as many of you as possible out in our parks and public areas. Please see details for this event in this newsletter.

As we are coming closer to our Annual meeting on May 17th, we have also formed the NANA nominating committee (see listing under *Committee Reports*). This committee will make recommendation on behalf of our membership on the board 2015-2016 board positions. The committee chair is Marvin Masterson, so suggestions for nominations can be made via him.

We hope to see as many of you as possible at our next general meeting on April 14th, and in the meantime, please visit our website northavondalecincinnati.com for general info, committee updates, and to pay your NANA dues online.

Come To Our NANA General Meeting Tuesday, March 14, 7:00 PM

AGENDA

- **New trash process: Jerry Wilkerson, Neighborhood Operations Superintendent**
- **North Avondale History Video Project: Satolli Glassmeyer, President, History in Your Own Backyard (See *Around Cincinnati* for more information)**

NANA COMMITTEE UPDATES

2015-2016 NANA NOMINATING COMMITTEE:

The Nominating Committee comprised of Marvin Masterson (Chair), Gerald Atkins, Ursula Hassel, Richard McKensie, Kevin Moore, Charlene Morse, Sylvia Nelson, Maura Wolf, Tom Wright and Julie Zimmerman is gathering names for the 2015/2016 slate of elected officers for the North Avondale Neighborhood Association. If you are interested or have anyone to suggest, come to the NANA General Meeting or call the NANA answering machine at 401.4546 or email mmaster0612@gmail.com or nanacincinnati@gmail.com.

BEAUTIFICATION:

Green Up/Clean Up Day at Martin Luther King Park, Seasongood Park and the Marion Triangle.

On Saturday April 25th from 9am to noon.

- We will be working on Seasongood Park and Martin Luther King Park and the Marion triangle. We will be cleaning fence lines of leaves, spreading playground mulch, at MLK the same plus the mulberry beds will be cleaned out, the wild brush along the backside of MLK needs to be cleaned up too. Some of the Avondale Youth Council may be able to help.
- Also, I have a dumpster to be delivered on Asmann Avenue so that the hillside can be cleaned up, trash removal, shrubs, tires, etc. Some can go along Reading Road and pick up along the way to the dumpster. Some may want to venture along the golf course on Reading Road. I have clearance to use the parking lot at the old Armory on Reading Road. We may have a group of volunteers from the business that now occupies the armory.

- The Sickle Cell parking lot that is at Dana Ave and Reading Road will be a trash pick-up site.

We ask that everyone sign in at Seasongood Park, wear proper shoes and clothing, grab a quick bite, work until 11:30, clean up and have pizza at noon. Please please try to bring a volunteer or two with you on our neighborhood clean-up day. I have contacted XU and some parochial schools and private schools too for our clean-up day. I am in need of some coordinators for this day. Please contact me directly at 608.2987, Emily Harten.

Together we make a difference.

Emily Harten

neighborhood clean-up on **XU Community Action Day** on March 28th from 9:30 to 11:30 am.

Partnering Opportunity: Sponsor a Flower Pot Program

Help bring the Park Board's extraordinary talents and beautiful work to North Avondale to create spectacular planters with 3 amazing plantings a year, watering and pruning! Please consider a charitable donation for this great opportunity!! Group donations accepted too for sponsorship.

To donate go to the NANA Website, About, Donate and check *Other* and write in Flower Pots.

HISTORY

Did you know that the Belvedere condominium was built circa 1925... given 2 years of construction, **AFTER** a lawsuit challenging the City of Cincinnati' zoning approval that established Ohio law that cities could set zoning laws. The case was *Pritz v Messer*. Messer and Warm built it on land that had been the home of 2 stately mansions.

Mel Nizny, MD.

LAW & SAFETY

Friends and neighbors paid their respect to the fallen hero Daryl Gordon as the procession passed through our neighborhood on Reading Road. Part of the procession was former District 4 Commander, Capt. Michael Neville, now Commander of the Central Business District, who waved to familiar residents.

EDUCATION/RENTAL HOUSING:

The Rental Housing/Education committee in an effort to inform the community on important social issues, has provided the following information.

Understanding Transgender Issues

It is disturbing and hard to understand the recent news of transgender young people feeling suicidal. This is one of those topics about which most people don't want to talk or think about. Instead words are used based on fear and misinformation, causing wounds in the people that are struggling with these issues. One never knows when their words might be repeated and be part of the distress that a child experiences, contributing to suicidal thoughts. No

NAM Father-Daughter Dance!

On Saturday, March 14, the NAM Father's Group hosted their annual Father/Daughter dance in the NAM gym. Two former NAM students, Pilar Verhaak and Erica Cash, used their creative talent to decorate the gym. Streamers, balloons, table settings and drinks/treats transformed the gym into a beautiful venue of maroon and gold, the theme for this year's dance.

"I would estimate over 200 people attended the dance," said Germaine Hill, Co-Chair of NAM Father's Group. "This is an outstanding annual event hosted for our school that really builds our community. Many Dads and students assisted in the preparation so we could make the gym a special place for the dance."

Students from kindergarten to grade 6 participated in the event. "The girls looked beautiful in their dresses and the dads were dressed to the nines," said Principal Lewis. "This is an awesome activity we do for our students, but more importantly it's an opportunity for the dads to spend a couple of hours with their daughter. In today's world sometimes we need to just stop and spend more quality time with our children. I am more than pleased with today's attendance and participation."

The NAM gym was rocking thanks to the talents of D.J.,

"Nate The Great." He played the music that Music Teacher Mr. Barnfield, requested throughout the week from each age level of NAM students and even added a few oldies for the dads. He submitted the list of songs to Mr. Harris who played the music.

A goal of the Montessori School is to bring students, parents,

and teaching staff together by building a strong school community. "We had so many parents make this event happen," said NAM Father's Group Co-Chair Kevin Mullins. "From setup to clean up we had parent volunteers, current and former NAM students, and the NAM custodian staff participate. Without their help we could not have had the dance."

"We even had a place where the dad and daughter could have their picture taken thanks to Ms. Stephanie Cooper," said Mr. Mullins. "For years, she has done an excellent job of coordinating the pictures". "This will be a great keepsake looking back when these young ladies enter High School. This is why I take the time to make this happen. To see the look on the girl's and dad's face when taking the photograph is priceless," said Ms. Cooper.

"The NAM Father's Group organizes many events throughout the calendar year. The Father/Daughter dance has been a success from the start and we look forward to hosting the dance again next year. This event is one of my favorites," said Mr. Hill.

There are 2 CPS neighborhood elementary schools in Avondale/North Avondale, each taking 20 students, ages 3 and 4. Research has shown that two years of preschool results in each child being two years ahead academically, all the way to college, compared to starting school in Kindergarten. South Avondale school is planning events to inform parents of these advantages and encourage them to enroll their child in preschool. The first event is planned for **April 23rd** and we are intending to build on that with a few more events during the year.

NANA members can help this effort by donating the following items which would be given to parents to begin developing their child's skills - scissors, crayons, glue sticks, flashcards, pencils, stickers, paper, puzzles, coloring books (large pictures) and gallon size plastic bags. These items can be brought to the NANA general meeting or dropped off at 3885 Dakota Ave.

New School 6th Graders Design Homes for Dr. Seuss and Picasso

Have you ever wondered about the shape of Picasso's house or wanted to see the interior decorating and gardens of Dr Seuss' home? Well then, stay tuned...because TNSM art teacher Robin Hartmann's sixth graders are taking part in an architectural project called DESIGN LAB: Learn and Build. They have broken into "Team Picasso" and "Team Seuss" and will dream up home and garden designs those men might have enjoyed living in.

(Continued on page 5)

Students are receiving instruction from DESIGN LAB volunteers on drawing architectural plans, learning about scale and other important design skills. The sixth graders will be designing their homes to fit within an actual Cincinnati location, taking existing structures, lot size and feel of the neighborhood in mind. The public will have a chance to study and vote on students' models and drawings displayed at the downtown library during the week of **April 25-May 2**.

TNSM Open House and Empty Bowls Project

New School students have created clay bowls that will be sold to raise funds for a local non-profit that fights hunger.

Come join us on **Sunday, April 26 from 2:00-4:00** for a free bowl of soup, and get to know our school community.

AROUND CINCINNATI

♣North Avondale History Video Project

We are building a huge database of videos on historic buildings, including homes, churches, commercial buildings, cemeteries, etc., throughout a 15 county area in the tri-state. We would like to include North Avondale in the database.

Here is a link to an informational video on the project: <https://www.youtube.com/watch?v=xMuSwOy18Gk>

Here's a link to a series of videos we recently did for Miami Township

<http://www.historyinyourownbackyard.com/oh/hamilton/miami-township/>

Once complete, the videos will be placed on:

Our website (www.HistoryInYourOwnBackyard.com)

On our Facebook Page as well as other Facebook Pages in the area

On YouTube

After the entire project is complete, all of the videos filmed in Ohio will be submitted to the State Library in Columbus to be archived for future generations.

The pros for this project for North Avondale are:

1. Your community council or historical society will be advertised at the end of each video which will give you greater exposure not only in the Cincinnati area but across the region as the videos will be placed on YouTube for everyone to see.

2. The videos are designed to promote the historic sites and the communities where they are located. The project will most likely feature over 1,000 videos of historic structures in the tri-state when complete.

3. When the entire project is complete, we will be submitting the videos to the State Library in Columbus to be archived for future generations to use these videos for research. 100+ years from now students, local governments, historians, etc., will be able to view these videos and have a better understanding of your neighborhood in 2015.

I will attend the April NANA General Meeting to do a short presentation on the project and answer any questions you might happen to have. To view our 4 page brochure on the overall project, contact me at 812.623.5727, or come to the meeting.

YWCA NAMES EIGHT WOMEN AS 2015 CAREER WOMEN OF ACHIEVEMENT

36TH Annual Luncheon: May 13, 2015 Keynote Speaker: Academy Award-Winning Actress Geena Davis

Liza D. Smitherman, CEO/Owner, Brewster Pumping LLC, and Vice President of Professional Development, Jostin Construction Inc.

As a Cincinnati Public Schools teacher and counselor for nine years, Liza D. Smitherman learned the importance of "everyone counts," a philosophy that has contributed her to success as the first woman and minority owner of a concrete pumping firm in the region. Her success in professional development at family-owned Jostin Construction, in fact, inspired her in 2005 to found Brewster Pumping LLC, a small-business enterprise that now services some of Cincinnati's largest construction firms. In addition to handling the budgeting, contracting, financial planning and business operations at Brewster, she also focuses on hiring practices that give every applicant - regardless of past - a chance to work. She partners with the Urban League, Cincinnati Action Agency, Easter Seals Tristate, Homeless Coalition and several ex-offender programs to recruit employees, and her efforts have improved employee retention by 40%. Hailed as a "trailblazer and spokesperson for women and minorities, and an advocate for all small businesses," she successfully spearheaded a collaborative workforce diversity plan for major Cincinnati construction projects. Smitherman also mentors students at the Cincinnati Arts & Technology Center and the Woodward Career Tech construction management program, and she has accompanied young Cincinnatians on a bicycle ride to Niagara Falls, serving as a role model and source of encouragement on the 500-mile trek.

EXAMPLES OF LEADERSHIP: ▪ Manages \$11 million company ▪ Doubled company growth 2012-2015 during economy's rebound ▪ Boosted Jostin's diversity profile from 43%-58%

COMMUNITY CONTRIBUTIONS ▪ Volunteer Chaperone for the 500-mile Cincinnati-to-Niagara Falls bicycle trip. ▪ Employer Chair, Construction Career Pathway Partnership team for Partners for a Competitive Workforce. ▪ Board Member, Cincinnati Children's Hospital; City Gospel Mission; Easter Seals Tristate; National Skills Coalition

Editor's note: Liza, her husband Albert and their children lived on Avondale Avenue for years and Liza served as a NANA Board Member.
