PRESIDENT'S MESSAGE

Dear neighbors,

Thank you to everyone who came out for the November General Meeting with Mayor Cranley as our guest speaker. (see pictures on page 3) It was a great session where the Mayor talked about his key initiatives for the city, and also a good opportunity for him to hear from our neighborhood. Along the same theme, please join us for interim Chief of Police Isaac's visit in December!

Again this year, North Avondale was shining during the Keep Cincinnati Beautiful annual awards ceremony. I would like to take the opportunity to congratulate the Beautification Committee and all the NANA volunteers for winning 1st place for the Great American Cleanup Project Award. This is very impressive achievement considering that our main event took place on a Saturday in April with threat of strong rain all morning, which luckily just held off until we had distributed several "mountains" of mulch in Seasongood Park, gotten all the new trees planted, and a lot of garbage picked up on the side streets. Hoping for a sunnier event in 2016, we are looking forward to see what our volunteering neighbors can do when we put our forces together. And to everyone reading this, join in when there is a call for help! ... even a couple of hours makes a huge difference.

As a preview for the **January General Meeting**, we will have the **Metropolitan Sewer District's Director Gerald Checco** at our meeting. If you have any questions or particular topics you would like him to address, please send them to our email (nanacincinnati@gmail.com).

As the year comes to an end, I would like to extend a thank you for a great year to our City of Cincinnati partners, District 4 Police and Firefighters. We appreciate the partnership and all you do!

On behalf of the NANA board and committee members, I wish you all the best for the Holidays and a Happy New Year!

Hanne Loken Larsen

NANA COMMITTEE UPDATES

BEAUTIFICATION:

On November 12, 2015, North Avondale received recognition for the work of two neighborhood leader groups at the Keep Cincinnati Beautiful, Just Desserts Awards Reception. The North Avondale Neighborhood Association, led by the North Avondale Beautification Committee and the North Avondale Montessori School Recycling Program received awards from Keep Cincinnati Beautiful based on their **projects for neighborhood clean up and sustainable recycling practices for neighborhood youth**. In addition to being recognized in front of Cincinnati Civic Leaders, neighborhood residents who attended the event were inspired by the multitude of innovative practices occurring in neighborhoods through out Cincinnati.

Thank you to all those who came out to assist with these efforts. We truly are proving through our dedication to community that North Avondale is "Cincinnati's Best Address!"

Pictured: Emily Harten, Co-Chair, North Avondale Neighborhood Association Beautification Committee and Jenn Ballard, North Avondale Montessori School Recycling Program Project Leader.

BLOCKWATCH

CPD Encouraging 'Safe Shopping' for the Holidays: 'Put Your Junk in Your Trunk' to Protect Personal Property

As tons of people are preparing for the busiest shopping day and shopping seasons of the year, so are busy shoplifters. The Cincinnati Police is doing its best to keep residents and visitors safe from crime during this holiday season reminding everyone to "Put Your Junk in Your Trunk!" Citizens should get in the habit of securing vehicles by leaving items at home or putting them away in trunks before reaching their destination.

There's safety in numbers, so shop with friends and look around when putting bags in the trunk. Be aware and if anyone feels uncomfortable have security or a manager walk you to your car.

Officers are asking citizens to follow the helpful tips below to have a safe and enjoyable shopping experience this holiday season throughout the City.

- § ALWAYS park as close as possible in well-lit areas at a meter, parking lot or garage.
- § ALWAYS enter and exit your vehicle with caution, especially at night.
- § NEVER leave anything visible inside your vehicle. Secure personal property in your trunk or take it with you BEFORE you arrive at your destination.
- § ALWAYS roll up your car windows and lock your doors. If you have to wait for a ride, wait in a busy, well-lit place.
- § ALWAYS have your keys in hand when approaching your vehicle to avoid searching for them with packages. Carry only charge cards you will need. Don't flash or carry large amounts of cash.
- § ALWAYS carry a small purse that can be worn close to the body with the purse flap against you. A shoulder strap worn across the shoulder and chest works well. Men should carry their wallets in front or inside pockets.
- § BE AWARE of your surroundings and the people around you. Don't allow your attention to become distracted from your purse or packages by talking on the phone.
- § TEACH CHILDREN to approach a police officer, store clerk or security guard and ask for help if they become separated in a store or mall.
- § SEE SOMETHING, SAY SOMETHING Don't hesitate to notify the police or store security if you see suspicious activity.
- § ALWAYS call 911 for Police assistance.

Tiffany Hardy Media Contact City of Cincinnati Police

HEALTH

The Cincinnati Health Department continues its **Infant Vitality Brown Bag Series**, exploring factors that influence maternal, reproductive and infant health outcomes. The next session - Chicken or The Egg Conundrum - will discuss the importance of social determinants of health in prevention and treatment efforts: **January 15, 2016** at the Cincinnati Health Department 3101 Burnet Ave 45229

Register at <http://bit.ly/KNzldT> The session and parking are free.

The Creating Healthy Communities Coalition (CHCC) is part of the Health Department's Health Promotion and Worksite Wellness Program. It addresses health disparities and seeks to improve personal health indicators for Cincinnati residents. CHCC was awarded a \$100,000 grant from Interact for Health to help Cincinnati Metropolitan Housing Authority (CMHA) transition to a smoke-free policy over the next three years.

The Braxton Cann Health Center (Madisonville) will receive a makeover due to a \$941,466 federal grant (part of ACA funding that supports health centers). Braxton Cann is one of 7 federally qualified health centers (FQHC) within Cincinnati that provides primary health care services to anyone in need. More information on our health centers in future newsletters.

Kimya Moyo (Health Department Liaison)

LAW & SAFETY

Though some of you are already aware, the City has an upcoming hearing on December 16 and 17 in its civil case against six properties in Poretz portfolio of properties here in Cincinnati: 2525 Victory Parkway, 3652 Reading Road (**in N A**), 1990 Westwood Northern Boulevard, 2000 Westwood Northern Boulevard, 1006-1026 Burton Avenue (**NA**) and 705-711 Ridgeway Avenue. During that hearing, the City has moved the Court for the appointment of a receiver for the properties, to take control of management, collect the housing assistance payments from HUD and make repairs. The hearing is the culmination of literally thousands of hours of work by city personnel (police officers, inspectors, and attorneys) as well as Legal Aid. This case is also a distinctive moment in a broader context as well. The director of HUD multifamily for the Midwest region recently commented that in his 20 year history with their organization, this has only occurred about ten times.

I bring the hearing to your attention because, as community stakeholders, many of these properties have been a source of concern to you over the years. We expect the hearing to be vigorously contested by the owners. The support of the community may be critical in demonstrating to Judge Myers that this is an extraordinary case that demands an extraordinary response. If you can attend, it would be a powerful message, demonstrating the resolve of the community to see that these properties are fixed.

The City of Cincinnati's civil lawsuit against the owners of the Poretz portfolio properties (inclusive of 3652 Reading Road) will take place on December 16-17, 2015. It would be great if there is strong NANA representation at the hearing.

The hearing is scheduled for December 16 and 17 at 10 am in room 330 of the Hamilton County Courthouse. I hope to see many of you there.

Mark Manning, Asst. City Solicitor Law Department

We have other Chronic Nuisance properties in North Avondale but this property (3652) has been a systemic problem with violent crime and disorder for years. More importantly, as I have continually questioned, why it is that the City prefers to pursue chronic nuisance enforcement the hard way which as Mark Manning states above has cost the city "thousands of hours of

(Continued on page 3)

(Continued from page 2)

work by city personnel" in pursuing a civil lawsuit against the chronic nuisance properties owner (Puretz). The easier way which would avoid costly litigation by focusing instead on the Housing Assistance Payment contract that Puretz signed with HUD which requires a minimal housing quality standard to be maintained at all times. Based on the evidence provided, clearly the condition of these properties did not meet these minimal standards. As HUD already has the authority to enforce the terms of its housing assistance payment contract with Puretz, court involvement would not be required using this approach. HUD may choose not to cooperate in this regard, but pressure could then be applied on HUD using our elected officials (e.g., Steve Chabot our congressional rep; the mayor) and the news media. This less aggressive administrative approach is ultimately less costly and more likely to result in a timely resolution than using the court. In summary, the city could have saved the thousands of hours of police, B&I, and law department time if they had just used the HAP contract violations approach first while using police and B&I reports as evidence to withhold government subsidies.

We still need a strong neighborhood representation of neighbors who are committed to making a difference. You only need to show up at the hearing so that the judge sees that North Avondale is committed to change for the better and the negligent landlords be held accountable for the neglect of their buildings and criminal activity in and around their buildings. To arrive at the hearing on time, consider the additional time you will need to go through security. Let us know if you will attend the hearing or for more information.

Michelle Baxter

**November NANA
General Meeting**

FROM THE CITY

The Cincinnati Police Department is seeking qualified candidates to apply with the department.

In an effort to encourage candidates to register for the exam, teams of CPD Officers will be looking for potential prospects at their Open House Recruiting Event, "Are you Fit Enough to Be a Police Officer?" Challenge hosted at the Cincinnati Police Academy on Saturday, December 12 from 10:00 a.m. to 2 p.m. I believe this is great news to get out to your community and let them participate a portion of what it takes to become a police officer. It may even spark a career choice or change!

A Conversation On Intergenerational Housing

Did you know the vast majority of the 50-and-over population currently lives independently, within the community rather than in institutional care facilities?

How can we create intergenerational living, blending diverse families and seniors to build an environment that's welcoming to all ages? Ohio is already taking steps in this direction. The Cuyahoga Metropolitan Housing Authority created Griot Village, a community designed to support families of all ages, shapes and sizes.

Join us **December 11th, 8:30am - 10:30am** at the Center for Innovation at Xavier University for a conversation on intergenerational housing as an approach to meeting the housing needs of youth and young adults, as well as seniors.

Donovan Duncan, Director of Asset Management at Cuyahoga Metropolitan Housing Authority will lead a conversation on meeting the housing needs of a growing intergenerational community.

Friday, December 11th, 2015

8:30am - 10:30am

Center for Innovation, Xavier University, 1601 Dana Ave.

Cost: \$10.00

(a light breakfast will be served)

- 1-18 - No School - MLK Day
- 1-22 - NAM Talent Shoe 5:30 PM - Cafeteria

2015 Grandparent's Day A Huge Success!

On a beautiful day in late November, NAM hosted their annual Grandparent's Day. This year the grandparents came in record numbers! "We had over 400 guests attend our Grandparent's Day. This event just keeps growing and I am proud of how the members of our school community support our school," said Principal Roger Lewis.

Grandparents were entertained by the NAM Orff group and members of the NAM Choir. Under the direction of Mr. Wesley Barnfield. Music Director, the student sang two beautiful songs and received a standing ovation from the crowd. "My students really stepped up and performed on a high level today. We have been working since the start of school and I have seen both groups make tremendous progress. I am proud of their effort and look forward to our annual Winter Concert," said Mr. Barnfield.

After being entertained by NAM students, grandparents the went to their grandchild's classroom and observed lessons. Many of the grandparents participated in the lessons and enjoyed being back in school. "We came all the way from Atlanta to be here on Grandparent's Day. We come every other year and today really enjoyed the program," said Mr. Faison. In art class students colored with their grandparent while other grandparents were active with the Montessori materials making this a day to remember.

"We put a lot of effort into organizing the event. I want to thank all the parents that help plan the event and for volunteering today. This was an amazing day and I am glad all of our grandparents had such a wonderful time," said PTO President Page Seck.

"We are so blessed to have so many people supporting our school. With the way this event keeps growing we are running out of space to park! This is a great problem to have and we look forward to hosting Grandparent's Day next year," said Principal Lewis.

TNSM Photography Club displays their work

Students in TNSM's After-school Photography Club were challenged to take a photograph in such a way that the viewer would be tempted to reach out and touch it and to feel the texture described visually. TNSM parent and Photography Club leader, Tracy Clancy said, "I am so proud of what the students have done. Seeing their photographs gives us a little glimpse into how they see the world. They teach me something everyday."

To see all of the photo from the exhibit, go to <http://www.visualnounphotography.com/Galleries/Fall-2015-TNSM-photography/> Nancy Buchman's science class learned about dynamic electricity, and that electricity is the flow of electrons from one atom to another. Students built simple circuits that consisted of:

- the load (a light),
- a power source (battery) and
- a switch.

Their eyes "lit up" with excitement as their light bulbs glowed, giving the undeniable proof that they had achieved their goal. replete with sensory detail, dripping with varied sentence structure and brimming with adventure and intrigue. Let the writing begin!

Ann Baumgardner, Marketing & Communications Director

YOUR OPINION COUNTS

☞ You Have the Green Light: Share Your Transportation Needs to Shape Our Region's Future

Calling anyone and everyone! Whether you drive, ride, pedal or walk, your input is needed to guide the future of transportation improvements in our community and across the region.

The Ohio-Kentucky-Indiana Regional Council of Governments, also known as OKI, recently launched a survey on November 30, to understand what short and long-term transportation needs and issues are most important to you. The online survey is short, taking only about 5 minutes to complete, and will be open through **Friday, January 8.**

Make your opinion count by participating in this survey! To take the survey <https://www.surveymonkey.com/r/XWTM397>

Or you can find the survey on OKI's Facebook page found at <https://www.facebook.com/okiregional>. For more information about the 2040 plan, visit <http://2040.oki.org/>.

Your input will be used by OKI to create the region's 2040 Plan, which identifies the transportation projects and programs to be implemented over the next 25 years. Since transportation and economic development are closely connected, the 2040 Plan helps advance our region and improve quality of life for all of us who live, work and play here.

The goal of this survey is to gather as much community input as possible, so feel free to forward this email to your friends, family and networks. Thank you in advance for your participation!

Also for your information, we have partnered with Red Bike (the bike sharing program) that will award one survey participant a one-year complimentary membership to Red Bike (value \$80) for submitting their survey. The chance to enter is completely optional and all we are asking for is their email address. This request for their email address is not mandatory to complete the survey.

Questions? OKI is happy to share additional information. Please contact Florence Parker, OKI's public involvement specialist at (513) 619-7686 or fparker@oki.org.

PARKS & RECREATION

million required to fund the build out & start-up & creating a truly great new grocery store option for North Avondale residents.

Please ask our neighbors to become involved by purchasing a share for just \$200 (in \$25 increments if preferred) and becoming a member/owner of the store before the holidays!! Larger investments would also be appreciated!! As a member you will be part owner of a great new grocery store near the neighborhood with all that entails, including owner dividends, ability to vote for the Board, great food options that don't currently exist, employment opportunities for neighborhood kids and others..,

Here is the link: <http://www.cliftonmarket.com/>. Please join the almost 1200 of us and buy your share today before the holidays!!

Happy Holidays
&
Happy New Year

From The North Avondale
Neighborhood Association

GRANTS/SCHOLARSHIPS

Each year, the Hamilton County Republican Party's Leadership Council offers two scholarships of \$1,500 to promising high school students in Hamilton County. We hope that these scholarships can be helpful to talented students as they continue their academic careers. For more information, check out our application by going to <http://hamiltoncountyrepublicanparty.org/young-professional-involvement/>. **The deadline is December 31st, 2015**, we're looking forward to reviewing applications!

Alex Triantafilou Chairman, Hamilton County Republican Party

YWCA Accepting Scholarship Applications

The YWCA of Greater Cincinnati is offering a scholarship opportunity for African American female high school seniors who have overcome significant obstacles. Ten local, female, African American female students will be selected to receive the YWCA Mamie Earl Sells Scholarship. A committee evaluates and updates the scholarship application, assists in its distribution and promotion, and selects ten finalists, which include two runners-up, and one winner. Evaluation criteria include academic record, personal challenges and hardships, ACT and/or SAT scores, letters of recommendation, class rank, honors and awards, involvement in extracurricular activities and community service, and employment history. Applicants are required to write two brief essays, one describing their greatest challenge and how it has affected them, and one explaining what Mamie Earl Sells' philosophy, "to lift as we climb," means to them. The application deadline is **Thursday, January 21, 2016**. Applications are available at www.ywcacincinnati.org/mes
