PRESIDENT'S MESSAGE

The holiday season is a wonderful time for reflection and anticipation. This past year has been truly amazing! An unprecedented number of neighborhood residents have stepped up to volunteer, putting to work their remarkable talents and dedication on numerous initiatives.

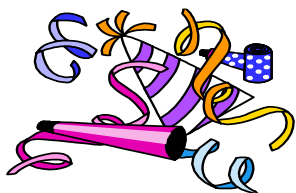

One of these volunteers, Beth Ewing, has just accepted the position of 1st Vice President. Beth has been instrumental in beautification efforts and serves on the Finance Committee. We welcome her to our Executive Team. We thank Diane Noyes for her service in this position for the past year and half. Diane resigned due to new work commitments.

Looking forward to next year, the recent City announcement of "Focus 52" - a fund to help generate up to \$180 million for neighborhood development projects across the City, could not have come at a better time. This fund will help provide the incentive for us to continue our strategic planning efforts to help revitalize our neighborhood business district, which is our top priority. While Plan Cincinnati (recently adopted by City Council) will help provide the road map, neighborhood initiatives of surveys and urban design planning sessions **will provide an exciting opportunity for you to participate in the process.** We also will be creating a video to showcase North Avondale. For more details, please see notes from our Committees in charge of these efforts (this page right column).

Thank you to those of you have already submitted your NANA dues and given additional donations. If you have not yet done so, please consider giving generously to help provide the necessary funding to implement many worthwhile initiatives to improve the quality of life in our beautiful gem - North Avondale. Remember - your donations are considered "charitable donations."

On behalf of the entire NANA Board, Committee Members, and our Administrator, we wish you and yours the best of the holidays and a healthy and prosperous New Year.

Maura Wolf

The Strategic Planning / Land Use Committee Needs Your Input

We would like to know your hopes and dreams for the Reading Road corridor! Reading Road is our commercial center and a key neighborhood gateway, and your input is critical to our efforts. Early next year, we will be completing a survey of North Avondale residents to develop a vision statement for future redevelopment projects. The survey will address potential uses for the 3916 Reading property as well as more general ideas for improving our business district. Also in 2013, will be hosting an Urban Design Planning Session, or Charette, which will be multi-day working sessions to develop a Vision Plan for Reading Road. If you would like to help plan, organize or conduct the survey or planning sessions, please contact Tina Dyehouse (tdyehouse@fuse.net) or Tom Wright (thomas.wright@fuse.net).

Membership Committee - New Projects

- We are preparing to make a video to showcase our neighborhood. To begin the process, please send us your best photographs of resident activities, events, landmarks, attractive housing etc.. (Preferably in Digital Format). Send to Carolyn Gillman -cgillmanwhhs@gmail.com or Charlene Morse -clmorse@fuse.net the deadline is December 28th.
- NANA is currently working with the City to replace faded street signs. Please contact Carolyn, 284-2298 or cgillmanwhhs@gmail.com, if you know of faded street signs that are in need of replacement. Thank you!

Attention Neighborhood Renovators, Investors, and Developers:

Consider becoming a North Avondale preferred renovator to purchase and renovate properties which we are obtaining from the National Community Stabilization Trust (NCST) through HURC, Homesteading Urban Redevelopment Corporation. These properties need total renovation from top to bottom and will only be sold, on an "as-is" basis, to preferred renovators, demonstrating financial capacity, ensuring they are brought up to the City of Cincinnati's Building & Zoning Code Requirements, and agreeing to sell only to owner-occupied purchasers or, in the case of a multi-family structure, to a neighborhood participant with a proven track record for good property management. In the near future, we will have two multi-family structures available. If you are qualified and interested, please contact Maura Wolf by email at maurawolf100@gmail.com by December 19.

Our son, Dr. Chris Lewis, leads a non-profit organization, Village Life, which travels to Tanzania twice yearly to provide services to three villages who otherwise have no access to medical care. He has expanded the organization from providing medical care to include education, water safety, and other needs. The team is composed completely of volunteers from the Cincinnati community and the UC community including the Colleges of Medicine, Nursing, Education, Engineering, DAAP, Business, and others. The first medical clinic for the area was completed last year through the design efforts of DAAP students and teaching construction techniques to the villagers by the UC chapter of Engineers Without Borders. These teams are currently building a school there. Come to artwalk at Essex Studios on December 7 and 8, 6 to 11pm. The artists donate portions of their sales to VLOP to further their work in Tanzania. It's a fun event, and Sonny and I always find unique items for our home and for gift giving. Hope to see you there.

Upcoming Events at NAM!

Wednesday, Dec. 19—NAM Winter Concert 6 to 7 pm hosted in the cafetorium. Students from Orff (music & drums), Choir, Suzuki Violin and Suzuki Flute will perform under the direction of Wesley Barnfield, NAM music teacher. Everyone is invited at no cost.

Grandparents Day!

On Tuesday, November 29, NAM hosted Grandparent's Day, an annual event at the school. Over 200 grandparents attended

the school to visit their grandchild's classroom and participate in Montessori lessons. Students show them the Montessori materials and other work they have completed in class. The program also included an art's sampler of student performances in vocal music, Suzuki Flute, Orff, and the worldly renown, "Ropin' Rockets."

"Our grandparents are very supportive of our program," said Principal Lewis. "We enjoy having them come to our school and visit their grandchild's class. They are very special people and we are honored to have them attend our school on their special day."

"This is my third year of attending Grandparent's Day and I love it! I really enjoy visiting the classroom and watching my grandchildren learn," said Ms. Highsmith.

Traditionally, Grandparent's Day is hosted on the final day of classes prior to the Thanksgiving vacation. For the past three years the event has experienced a steady growth in attendance. "Our parking lot is completely full and we usually have standing room only for this occasion. This day is so awesome because of the interaction with all members of our school community and it definitely puts you in the holiday spirit. Our PTO does an outstanding job assisting with the organization of this event and we are already and we are already planning for next year's Grandparent's Day," said Lewis.

NAM Students Show Their Spirit!

Students at NAM raised over \$975 for the "Pennies for Patients" cancer drive. Students across all age levels brought in pennies and made donations to this worthy cause. Ms. Heidi Davenport's 3 or 6 age level raised the most money and received a pizza party for their efforts.

With our friends on the east coast being hammered by Hurricane Sandy and winter weather like conditions, the NAM student council has organized a hurricane relief fundraiser for the school to assist the victims of Hurricane Sandy.

"Student council has set a goal of \$500 to raise for the unfortunate people that have experienced horrific weather the past few," said Shockley, Student Council advisor.

The age levels 3 to 6, 9 to 12 are bringing in their nickels and other coins to contribute to the relief. The fund raiser will end **December 18th**

"I am very proud of our students for the contributions they are making to assist mankind during difficult times. This is a major part of the Montessori experience our students receive at NAM," said Principal Lewis.

On behalf of the "Team NAM," we wish all the citizens of North Avondale a blessed, prosperous and safe holiday season!

The fine arts are an extremely important part of a New School Montessori education. In times when schools are cutting programs, we are planning to bring new light and space to our high-quality arts programs in our new Enrichment Center. The Enrichment Center will also afford us room for our Extended Day program, new meeting

and tutoring spaces, and other after-school instruction and enrichment programs. As with our current facilities, these new spaces will also be available for the community to use for neighborhood meetings and gatherings.

The Deep Roots, Strong Branches Capital Campaign is a multi-phased project that will transform, not only the Enrichment Center, but will include improvements to the Mansion and Annex as well. This past summer, all internal lighting was upgraded; it improved the feel of all instructional spaces and provided greater energy efficiency.

From our beginnings in 1970, The New School Montessori has had strong roots in North Avondale, and with the support of our extended community, we continue to make improvements that keep us ever-new and forever strengthening our authentic Montessori program and the community that surrounds.

We invite you to join with us in our vision where children, staff and the community can learn, work, play and grow together. To follow our progress and to see photos and videos, go to www.thenewschool.cc and click on the capital campaign page.

Ann Baumgardner Development/Marketing Director

The New School Montessori invites you and your family to visit our open house on Sunday, January 27 between 2:00-4:00PM. Children are encouraged to explore the Montessori materials in the classroom and to tour the building with you. Teachers, staff and board members will be on hand to answer questions and share what a New School Montessori education has meant to them and to their families. We hope you'll stop by and join us.

NEIGHBORHOOD SUPPORT PROGRAM (NSP) 2013

NANA receives City money through the Neighborhood Support Program (NSP) for projects and activities that enhance the quality of life in our neighborhood.

The projects & activities proposed are within these categories: Clean-up & Beautification; Environment; Land Development & Improvement; Landlord Accountability; Law Enforcement & Safety; Membership; Newsletter; Rental Housing; Seniors & Youth Projects; Website; and Zoning Issues. Though we can propose new categories, the majority of projects that are proposed to the Board, fit within these categories.

At the Tuesday, December 11 NANA General Meeting we will vote on this proposal to submit to the City. If you have any suggestions or ideas please come to the meeting or contact us.
