PRESIDENT'S MESSAGE

Dear Neighbors:

I can't believe that a year has gone by. It has been an amazing year and I would like to thank you our many neighbors who supported our meetings and activities during the 2016-2017 year. We are very appreciative. Our Annual Meeting will take place on **Sunday, May 21, 2017 at The Belvedere, 3900 Rose Hill Ave., Cincinnati, OH 45229.** We will be in the community room off the lobby. Park along Rose Hill and Beechwood. The majority of our meeting agenda will be focused on updating NANA's Master Plan so we will need you in attendance to obtain your input and ideas!

Finally, it is my sincere hope that during the 2017-2018 year, we will see an increase in neighborhood participation. NANA will only be as strong as our committed and engaged neighbors. We have a lot to do so come join us. See you around the neighborhood!

Marvin Masterson

A Party in the Park

We love our neighborhood and our neighbors and what better way to celebrate than to have a party! Let's plan together to make it great. All you have to do is come and enjoy! So, hold that date... it's **Sunday June 11th from 4 to 8pm.**

The event kicks off at 4pm with special music and activities for the kids. Zach Morgan will play live from 4pm till 5 pm and I'm sure you won't want your kids to miss his performance. Cincinnati Circus will be there with a bounce house, face painting, magic and more. What fun!

Starting at 5pm and running until 8pm, the headliner act, Swan, will be performing danceable pop music to "get your motor running," so be

NANA COMMITTEE UPDATES

BEAUTIFICATION

Thanks again to all of you that came out to support the Cleanup efforts earlier this month, 4/1 and 4/8. The park Cleanup on Saturday 4/29 at Seasongood Square Park to support Cincinnati Parks & our neighborhood parks was cancelled due to the major thunderstorms.

Thanks again to the University of Cincinnati Chi Omega sorority that came out to work the major Cleanup in North Avondale on April 1st. All 110 of them. The group was very productive, engaging in conversation and willing and ready to get to work. Litter and debris were cleared along the major roads and corridors that feed our neighborhood. We also extended into both Avondale and Paddock Hills on our Cleanup days to further assist with the awful problem of litter.

We are especially thankful that the North Avondale Recreation Center was available for our use on April 1st, and the assistance of the staff and Blake Williams for shuttling students in the Recreation van to all of the strategic spots. All of us should stop and thank the staff for their assistance in our community health and spirit. We cannot thank you enough.

The following week, 4/8, we had a Great American Cleanup co-sponsored with UC's Environmental Community Organization (ECO) with students from UC's Aerospace Engineering and students and families from Xavier University for their Community Action Day.

During this Cleanup the areas of concentration were our secondary streets and our Business Corridor too. Some students helped Richard Jackson and Mary Piper with spreading mulch at their beautiful community gardens at Dana & Victory.

The neighborhood Cleanups would not be possible if Keep Cincinnati Beautiful and The ToolBank did not exist. We owe PNC Bank a kind thank you for sponsorship of free tool rental.

So, in short all of the services that I named, we owe a great deal of thanks to: Cincinnati Recreation Center, Keep Cincinnati Beautiful, and The ToolBank.

The neighborhood Cleanups would also not be possible without

our awesome community volunteers: Jan and Bob Banks, Nina and Mike Caporale, Carolyn Gillman, Teresa Harten, John Hassel, Bridget McComas, Jane Sillet, Ann and Stan Wong, John Jones, Marvin Masterson, J. Miles Wolf, Tyler Wolf, Hanne Larsen and Cyril with your beautiful daughter Miss Louise, Mark Schuller, Jennifer Cronk, and Karen Powell. A special thank you to Michelle Edwards of Councilmember Smitherman's office who was a great team leader for an entire clean-up, and Tianna Brown who came from Walnut Hills to serve pizza to the students. Thank you all so much! Maura Wolf thank you for all of your help with the neighborhood Cleanups; your help was tremendous.

Thanks again to all of my family, friends and neighbors.

Emily Harten, Chair

NAM Foundation Food Truck Event Rocks!

The NAM Foundation (NAMF) hosted their annual April Food Truck event on Saturday, April 15. Five food truck vendors participated in the food truck competition. "We had a wide variety of food for our community to purchase. Everything from cheese sandwiches to Popsicles," said Principal Lewis.

The purpose of the event is to raise money for our NAMF and to build our school community," said NAMF President, Kami Hill. The NAMF has hosted the event for the past four years and everyone had a delightful time. "I love coming to the event and dancing to the music," said Phillip, NAM Student. Guests not only had food and drinks, but children were able to participate in a number of activities. Face painting, two bounce houses, and dancing on the playground were huge hits among the students and adults. "Our DJ, Mr. Hill, did an excellent job encouraging students and adults to dance to the music. All participants had a great time," said Principal Lewis.

The food truck competition was won by Street Pops (3720 Vine, St. Bernard). Street Pops served a wide variety of Popsicles and were a crowd favorite. "The best popsicle I ever had," said NAM student, Makayla!

Planning for next year's event has already begun. "We have a few new ideas we are going to implement next year that we believe our community will really love. I am excited to get things moving for next year," said President Hill.

They put themselves in different settings, like painting while lying on their backs as Frida Kahlo did after her accident. They also mimicked cave painters by limiting their pigment choices and by creating their own cave drawings in a dimly lit basement room. In some cases, students created art together as a group project on canvas. Enjoy these samples of their inspired and inspiring work.
