PRESIDENT'S MESSAGE

Dear Neighbors,

I have enjoyed representing NANA this past year and I am committed to the growth and success of North Avondale. NANA was organized in the mid 1960's and has grown into one of the strongest neighborhood associations in the city. Our ongoing involvement and service, while maintaining strong relationships with other communities and city representatives is commendable. We are a neighborhood organization which exemplifies passion, teamwork and commitment.

Thank you to everyone who makes up that teamwork: Board Members Rick Ruehlmann (1st VP & Strategic Planning), John Jones (2nd VP), Jimmy Musuraca-Messer (3rd VP), Kelley Bagayoko (Corresponding Secretary), Ken Brawner (Recording Secretary), Doug Louder Jr. (Treasurer); Committee Chairs Carolyn Gillman & Dirk Pastoor (Law & Safety), Carolyn Gillman (Block Watch), Beth Ewing & Emily Harten (Membership & Communication), David Emery (Pedestrian Safety & Strategic Development); Committee members and helpers Charlene Morse, Maura Wolf and J Miles Wolf for his pro-bona photography services. Being President takes a lot of time and hard work none of which I could do without the help of my wonderful and supportive family. Thank you Jeff, Skylar, Sydney and Shay.

We had a great Saturday, April 13 combined **Green Up & Great American Clean Up Day** where volunteers from the neighborhood and UC helped make our neighborhood beautiful. I thank all of you for your hard work. (see Beautification Article page 2 and pictures throughout).

Come to our **NANA Annual Meeting on Sunday, May 19th 4:00 to 6:00pm at Ryan Messer & Jimmy Musuraca-Messer's home at 992 Marion Avenue**.

Also enclosed in this mailing is a return envelope to make it easier to send in your NANA Dues/donations. Or go to northavondalecincinnati.com/membership/to pay electronically. Thank you, NANA can't do it without you!

COMMITTEE UPDATES

BEAUTIFICATION

Dear Neighbors, Family and Friends,

This year North Avondale teamed up with Cincinnati Parks for Green Up Day and Keep Cincinnati Beautiful for the Great American Clean Up. Maura Wolf deserves the credit for helping us organize the work accomplished on **Saturday, 4/13**, at Seasongood Square Park, as well as Sarah Koucky for helping me with the beautiful gardens there; and, much appreciation goes to Richard Jackson and Mary Piper for the spectacular gardens at Dana Triangle, and beyond!

Well, I must say, our Parks look beautiful and alive. All the mulch was spread around the trees & in the flower beds and the appearance from the street looks so good. The playground looks clean with the fresh new mulch. WE ARE TEAM WORK!

Many thanks to all of you who helped & joined in by carrying mulch via wheelbarrow, spreading mulch, raking leaves, removing dead plants, managing the sign-in table, and picking up litter on surrounding streets. A sincere thank you and much appreciation from all of us to the following partners and participants:

- North Avondale's 5 Star Community Volunteers: Abby Allen & Ethan Perry, Janet & Bob Banks, Fred Fegan, Jennifer Harten, Paul Harten, Angel Henry, Grace & Brian Hill, Richard Jackson, Sarah Koucky, Hanne Løken Larsen, Charlene Morse, Laurie Pike, Mary Piper, Mark Schuller, Ann & Stan Wong, Maura & J Miles Wolf. Carolyn Gillman, Jake Gillman, Teresa Harten and Regine Moulton, are helping outside of our work day. Cheers to all of you, and those who regularly pick up litter, help with gardening, and keep our neighborhood beautiful and safe!
- 40 UC Student Volunteers and the chief organizer Fran Larkin, Director, UC's Center for Community Engagement. The students were nothing short of amazing! They worked diligently with a fabulous work ethic!
- Cincinnati Parks Grounds Crew, Jennifer Harten, Interim Superintendent for the East District, and Jim Burkhardt who organized the work plan, and helped get all the tools, the mulch and Pizza. Christyl Johnson-Roberts, Volunteer Coordinator, who helped with the UC student volunteer connection and the Park's new online Green Up volunteer registry. So thankful for this fabulous team!
- Keep Cincinnati Beautiful (KCB) Emily Bottoni, Volunteer Program Coordinator, provided several supplies: gloves, tee shirts, water, and bags for trash and recycling; thanks to all KCB funders as well. Fantastic Partners!
- Cincinnati Police Department, District 4, Officer Hill provided security with his keen smile. A great addition to our team!
- City's Department of Public Services Damon Ulmer coordinated picking up the 20+ bags of litter and debris collected at our 3 pick up spots very efficiently.

Every Wednesday 10am to 12 Noon we work in the park. Please come bring a trowel, gloves & your drink.

Happy Spring and Summer,

Emily Harten

To pay the Parks to maintain the flower pots along Reading Road, we are taking donations for 2019. You can make a donation on line at: northavondalecincinnati.com/ donate/ and check Other and put: flower pots or you can mail a donation to: NANA, 617 Clinton Springs Ave, Cincinnati, OH 45229, ATTN: Beautification. Please consider helping with a tax deductible donation so we can continue making our neighborhood beautiful! Thank you!

LAW & SAFETY

There have been many accidents at the intersection of **E. Mitchell and Red Bud.** Duke has already installed additional lighting. Here is an update from DOTE:

- Chevron signs will be installed through the curve to supplement the existing night arrows. Chevrons are smaller, rectangular signs typically mounted low to the ground.
  - Our staff visited the site and saw that the chevron signs have been installed; however, they feel that the signs need to be repositioned for better visibility. They will have Public Services perform this operation.
- A curve warning sign will also be added to the left side of the roadway to further emphasize the upcoming change in direction along the roadway.
  - Again, when our staff visited the site they became aware that these signs have not yet been installed. They will look into fulfilling this request as soon as possible.
- It will take DOTE staff about a month to prepare a funding application to send to the Ohio Department of Transportation (ODOT) (This email was from 2/20). ODOT will review and evaluate the application.
  - A: Staff is finalizing estimates and are hoping to submit the application to ODOT by the end of this week (it took a little longer than anticipated).

If you have additional questions, or require more information, please let us know.

Erin Murphy, Assistant to the Director
Transportation and Engineering

STRATEGIC DEVELOPMENT - Joint Committee of NANA and NABA

3864 Reading - Rubel Property: The Port Authority is stabilizing this historically significant property at the request of NANA, NABA and the City. The Rubel property was designed by renowned architect Samuel Hannaford. Because it is located in our Business District, it is eligible for grant funding for a business or mixed-use (residential/offices/ business). NANA and NABA provided partial funding for stabilization -$30,000- obtained through a City of Cincinnati Neighborhood Business District Improvement Program (NBDIP) grant.
The Landbank agreed to retain title, stabilize the property, rebuild the porch, fix the slate roof, and to consult with NANA/NABA on the sale and redevelopment of the property. **ATTN:** Contact us if you are interested in starting a business in this property at nanacincinnati@gmail.com. Many thanks to Megan Meyer and Liz Eddy of the Port Authority/ Landbank, Kathleen Colley, City's Department of Community and Economic Development, and SSRG (Structural Systems Repair Group), the firm completing the stabilization work.

2-acre City-Owned Vacant Lot Redevelopment at Reading and Paddock: The City plans to work with NANA and NABA to issue an RFQ (Request for Qualifications) to secure a developer who will develop the property consistent with our community's vision. The RFQ committee will be reforming so contact us at nanacincinnati@gmail.com if you can help.

North Avondale Gateway Sign at the Dana Triangle: It is completed and looks fabulous! This project was funded with a grant obtained by NABA and NANA through the City's NBDIP (2014). Many thanks to our Gateway Sign Team: Amy Harten, Richard Jackson, Hanne Løken Larsen, Mary Piper, Maura and J Miles Wolf, and City of Cincinnati DOTE representatives Laura Martin and Jeff Stein.

Pedestrian Safety Requests: City plans to implement a few of our several requests: 1) Install pedestrian-triggered flashing lights and crosswalk paddle on Clinton Springs at North Avondale Montessori School, and 2) Install temporary radar signs on Reading Road, one northbound and one southbound in our neighborhood business district. A sincere thank you to David Emery for heading up the committee.

Traffic Calming at the intersection of Reading and Paddock Roads, is hopefully being addressed with a redesign of the intersection and enhancements along Reading in our business district. Also, See Law and Safety Report to address Red Bud and Mitchell intersection: many thanks to Carolyn Gillman, Law and Safety Chair, who is working with City for solutions.

Spring 3-season Banners Along Reading Road and Clinton Springs will be spruced up and re-installed, funded by NABA, through City of Cincinnati Neighborhood Business District Support Funds.

All of the above projects will benefit from participation from NANA members to maximize community success. Please consider volunteering by contacting us at **nanacincinnati@gmail.com**

The North Avondale Business Association (NABA) represents the collective interests of North Avondale businesses to the City of Cincinnati and acts as a pooled knowledge source for the many small business owners of the neighborhood. NABA works collaboratively with NANA and the City of Cincinnati, planning and funding community projects to achieve our mutual goals, making North Avondale a great place to establish and grow small business. Join us at our next meeting **Monday, May 27, 2019, 7pm, 938 Avondale Ave.** To become a member of NABA, contact mileswolf@gmail.com.

Slow Down Yard Signs

A neighbor-led safety initiative is underway, asking residents and visitors to remember to slow down on our streets. Thanks to a generous donation by Jack Wolking and 30 other neighbors, we have purchased over 200 yard signs for North Avondale residents to place in their yard. Please contact Sarah Rich at SarahElizabethRich@gmail to obtain a sign for your yard.

9 to 12 Age Level Students Visit Music Hall!

On Monday, April 15, students in the 9 to 12 age level attended the Black Violinist performance at Music Hall. The musicians combined hip hop with classical music. Students were amazed on how blending the of the two genres created beautiful music. "I really enjoyed listening to the violinist. hey were very talented and creative," said Violet, a Grade 6 student.

Ms. Paulette Simpson, Media Specialist, arranged the trip. "This was a great opportunity for our students to attend an event downtown at the Aronoff. Students were dressed up and upon returning to NAM, we enjoyed a catered dinner. Overall, this was a great experience and everyone enjoyed the day, " said Ms. Simpson.

NAM Students Receive Gold Seal Recognition Award at CPS City Wide Art Show!

Congratulations to Timone M. and Annabelle W. for receiving the highest art award, a gold seal, at the CPS City Wide Art Show. Ms. Cooper, Art Teacher, was very proud of her students accomplishments. "Over the years at NAM we have had many of our student's art work selected to participate in this event. This by itself is quite an honor, but to have two students receive a Gold Seal is a first. I am proud of all my students and happy for Timone and Annabelle for being recognized for their outstanding art work," said Ms. Cooper.

The New School Montessori's Shakespeare Club Performed Throughout the City

Since September, New School Montessori 4th-6th student actors have been studying and practicing a 25-minute version of *Romeo and Juliet*. They explored the story with visiting actors from The Cincinnati Shakespeare Company and performed the play this spring at numerous venues.

After one of the students' performances, Ken and Carol Adelman discussed the play with New School elementary children. Ken and Carol lead a company called Movers & Shakespeares where they execute development and leadership training for executives using Shakespeare's plays. Ken explained to the children, "Shakespeare understood

people and what they do. He knew that families fight and young people fall in love. We can learn how to act and how not to act through stories."

Work Inspired by Andy Goldsworthy

New School Montessori elementary art teacher, Robin Hartmann, introduced her students to the work of artist Andy Goldsworthy. Andy creates art from found objects in nature, and Robin's students designed their own interpretations using objects from nature found in our Elementary Woods.
