PRESIDENT'S MESSAGE

North Avondale's beauty is shining again this spring, especially with our new banners and flower pots gracing Reading Road. The new banners not only match our beautiful ArtWorks mural, but also celebrate North Avondale's exceptional beauty and strengths: bountiful flowers, lush green spaces, architecturally significant historic gems, and an involved community giving back to make it all possible. Thank you North Avondale Residents!

As my presidential term concludes, please join me in expressing much appreciation to our Executive Board: Tom Wright, 1st Vice President; Myles Harper, 2nd Vice President; Carolyn Gillman, 3rd Vice President; Nicole Patitucci, Recording Secretary; Dana Winn, Corresponding Secretary; Hanne Loken Larsen, Treasurer; and to our Committee Chairs: Beth Ewing, Beautification; Teresa Harten, Health and Wellness; Michelle Baxter, Law and Safety; Pauline Daly, Education and Housing; Tina Dyehouse, Strategic Planning and Land Use; and John Jones (past NANA President) Neighborhood Issues. In addition, many thanks to our committee members, general volunteers, citizens of North Avondale, my family for always lending a hand, and last, but not least, to both Tricia Renneker our new Administrator and Charlene Morse, our News Editor.

It's truly been an honor and privilege to serve North Avondale as President for the past two years and as Treasurer for the prior two years. What a great journey, and so wonderful to get to know so many of you. One thing I've learned for certain ~ we have an amazing community with talented and caring residents willing to give back for the greater good.

Keep up the great work NA. We're all in it together!
Wishing you and yours a great summer,

Maura Wolf

Much appreciation to: our Luminary Committee (leaders Michelle Baxter and Carolyn Gillman) and our Business Association for funding the banners; Vanessa Sorensen for the beautiful design; Roger Stevenson of Coriolis Signs (NA Business) for printing the banners, and Beth Ewing for spearheading the project.

FROM YOUR NEIGHBORS

♻️ On Sunday, December 15, 2013, there was an attempted break in at our house on Rose Hill Avenue while my wife and I were not home. Fortunately, three of our neighbors spotted the attempt and intervened. When they saw one of the perpetrators on our back porch, they shouted at him and immediately called 911. Four boys ran towards Paddock Road, where they were quickly apprehended by the Cincinnati Police. All three neighbors got a good look at the boys, and were able to provide positive identification.

The four boys, aged 15-17, were charged in Juvenile Court with felony attempted burglary and trespass. It took three different court dates to finally come to a judicial resolution. On each of these days my neighbors and I arrived early at Juvenile Court and spent hours waiting for the prosecutors, defense attorneys, and magistrates to perform their duties. One benefit of all that waiting was that my neighbors and I got to know each other much better!

I came away from this experience with several insights. First, there is no substitute for good neighbors who intervene when needed, and who have the commitment to follow through as the wheels of justice slowly turn. These cases could easily have been dismissed had our neighbors been unwilling to get involved. Their actions not only prevented a more serious crime, they also made the entire

BEAUTIFICATION:

North Avondale has never looked better!! Many thanks to all of the Beautification volunteers. So much has been accomplished over the past year, it's hard to list it all! Key milestones include: the Artworks mural on the Lenox and a garden to accompany it, Reading Road winter and year round banners, public green spaces planted and maintained ongoing, the Reading/Avondale vacant lot cleared/planted and last but not least, seasonal flower pot displays on Reading Road (see additional note below).

None of this could have been accomplished without the dedicated efforts of our amazing volunteers. It truly takes an army to keep the neighborhood free of litter and well maintained. If you have just an hour or two to spare, please email me nabeautification@gmail.com. We can always use additional help and even independent efforts make a HUGE difference. Supplies can be provided.

I would like to extend a special thanks to those neighbors who contributed so generously to the Park Board maintained flower pots on Reading Road. They are absolutely beautiful and will be in place with plantings year round. **Contributors are:** NANA, NABA, Richard Jackson, Vanessa & Richard Wayne, Moe & Jack Rouse, Stephen Peterson, Maura & Miles Wolf, Hanne Loken Larsen & Mike Turner, Sarah & Walter Koucky, Beth & Brooks Ewing, Sue Kenford, Marian & Robert Pitcairn, Regine & Jon Moulton, John & Patty Hassel, Carolyn Gillman, Jolene Struebbe, Marla & Tony Barone, Kim & Jeff Geoppinger, Earl Ross, Mary & Dana Winn, Cindy & Dave Flaspohler, Ken & Mary Pray, Vanessa & Dave Wong, Deb & Jim Corwin, Fred & Hope Miller, Patricia & Terry Toepker, Sarah & Benjamin Doepke, Dale & Winni Johnson, Judith Shapiro, Jim & Janice Amatulli, Robert & Laura Milner and North Avondale Girls (NAGs).

A Beautification Meeting and Luncheon was held on March 23, 2014 at Beth Ewing's home. Thanks to Beth for hosting the lovely event.

HEALTH AND WELLNESS:

The WeTHRIVE! effort, part of the Health and Wellness Committee, at NANA is going strong. WeTHRIVE! supports health and wellness. With grant funding, we are moving ahead with several projects to support our neighbors. We are funding new activities at the NA Recreation Center such as help for veggie gardening, a yoga teacher for adults, and support for the walking club. We are

also recommending funding for a yoga teacher for the summer day camp for kids and considering a cost sharing arrangement with the City to help bring new equipment and programs to the Center. Gabriel's Place and S. Avondale School are also a focus of attention. We are providing weekly vouchers to eligible parents at South Avondale School to be exchanged for produce at Gabriel's Place market. We are also investing in Gabriel's Place with funds to support their Tuesday night community dinners. Education in various venues is being planned with a local non-profit that is expert in prevention education. More to come! If you have ideas, please join our committee and share them!

Teresa Harten

STRATEGIC PLANNING AND LAND USE:

The committee continues to focus on ways to improve the livability of our neighborhood. Our main agenda continues to be our Reading Road Business District. In 2013 we facilitated positive collaborations with the neighborhood through the planning workshop with Interboro Partners & DAAP, the development survey, and the ArtWorks mural. We are planning to continue this process in 2014 as we discuss additional development studies and design sessions as well as seeking increased support from the city. We are also considering how we might establish a Community Development Corporation. If you are interested in contributing or would like more information, please contact Tom Wright (thomas.wright@fuse.net).

MEMBERSHIP: Please consider joining our Membership Committee. It involves planning and implementing the **Fourth of July Parade, May Annual NANA meeting** and much more! Contact Carolyn Gillman 284-2298 or nanacincinnati@gmail.com.

Street Captains Needed: A Street Captain gathers and documents contact information for neighbors on their street to facilitate communication among neighbors for special events (e.g., block parties), crime prevention concerns (e.g., watching neighbors houses while their away, reporting suspicious behavior), or in the event of an emergency.

If you would like to be a Street Captain or a participant, please contact me.

neighborhood safer and stronger.

A second important lesson is that facial recognition of a suspect is vital to successful prosecution. Defense attorneys will seek any opportunity to create reasonable doubt as they protect their client's right to a fair trial. We learned from the prosecuting attorney that identification of a subject based upon his clothing alone may not be sufficient. Fortunately, in this case identification of the suspects was strong and immediate. I hope I won't be a witness to a crime in the future, but if I am, I hope I remember to focus on the suspect's face.

One last thought: We are very fortunate to live in a community where neighbors look after each other, and go the extra mile to help. However, we can't all be on guard all the time, and we never know when something is going to happen. Consequently, in the coming months I plan to install a video surveillance system at the house, just in case my neighbors aren't around to save the day again.

NAM 6th Graders to Washington, D.C. !

The NAM 6th graders departed school for their second annual sixth grade trip on Wednesday, March 26 and returned to Cincinnati on Saturday, March 29. This year the trip was organized by NAM parents Jeff Hammond and Myles Harper. Several parents also attended the trip and assisted as chaperons along with teachers Nick Davis-Dewey and Ms. Amy Babicke. "Going to D.C. is a tremendous learning experience for our students," said Mr. Hammond. "We had a full schedule planned every day with visits at the Smithsonian, Mt. Vernon, The Vietnam Wall, The Lincoln Memorial, and The Martin Luther King, Jr., Memorial to list a few. The students were very excited about the trip."

"Washington, D. C. is rich in history and for our students to have this experience is priceless," said Principal Lewis. They will always remember this trip and I appreciate the great job our parents did in organizing this event. My students also raised money to help pay their expense and our teachers made the trip to support the students and parents. For Mr. Davis-Dewey this is his second adventure. These are the experiences we provide in Montessori."

The students did various fund-raising activities to defer the

cost of the trip. "We started raising money last fall for the trip. The NAM talent show was a huge success in raising money," said Myles Harper. "We also had an after school car wash where the sixth grade

students participated in earning money by washing cars." Plans for the 2015 trip

are already in the making. Students leave prior to spring break and return on a Saturday. "The schedule works for us and the teachers so

we will continue to schedule this trip for our sixth graders during this time frame," said next year's advisor, Missi Kerchner.
