PRESIDENT'S MESSAGE

Hi Neighbors,

With the weather warming up and the vaccine doing its work in my body I am feeling like a cicada ready to emerge! We may not be officially part of Brood X, but I feel like we are all sharing that similar feeling of a significant return to life. After a year holed up in our homes, this summer will surely be one to remember!

There are many things planned for our neighborhood already with more to come. The kick off to this new NANA year is our Annual Meeting on 5/23. Please join us for a recap of neighborhood happenings this year, the election of officers to the NANA board and plans for the year ahead. Our yearly gathering will be followed the next weekend by the North Avondale Food Truck Festival on 5/30. This outdoor event will allow everyone to maintain social distancing and feel comfortable while enjoying the first weekend of summer. More details to follow soon! (*See Events Page 2*)

The start of the new board term is also a great time for you to get involved with NANA! We are still looking for folks to be a part of our committees or head new committees. This is a great way to begin volunteering with NANA and seeing what it is like to be on the board. We also encourage everyone to attend our monthly general body meetings. Hopefully soon we will be able to gather in person again, but we also want to keep the digital component to the meetings so that we can keep participation high. We welcome all members of the community to attend the meetings and contribute ideas for our neighborhood. NANA is all of us and the more engaged neighbors we have, the more we can do together!

Thank you for your participation and thank you to the NANA Executive Board and committees for all their hard work this year.

Ethan Perry

60TH NANA ANNUAL MEETING
SUNDAY, MAY 23, 2021
4:00 PM

VIA ZOOM at:
<https://us02web.zoom.us/j/7228542133>
Passcode: 45217

NANA's 2021-2022 Nominating Committee comprised of: Charlene Morse, Chair (Burton Woods Ln.); Kim Russell (Spring House Ln.); Sandesh Samdaria (Barry Ln.); Patrice Watson (Avon Fields Pl.); Tristen Yarborough (Parker Pl.) is pleased to announce the proposed slate of officers:

2021/2022 NANA Board of Trustees

President:	Heather Herr (Betula Ave.)
1 st Vice President:	Ethan Perry (Wedgewood)
2 nd Vice President:	Patrice Watson (Avon Fields Pl.)
3 rd Vice President:	Morgan Rottinghaus (Lenox Pl.)
Recording Secretary:	Sandesh Samdaria (Barry Ln.)
Corresponding Secretary:	Ryan Jarrell (Avondale Ave.)
Treasurer:	Robin Senser (Burton Woods Ln.)

AGENDA HIGHLIGHTS

- Annual Officer/Committee Reports
- Election of Officers

COMMITTEE UPDATES

BEAUTIFICATION

NORTH AVONDALE “LANDMARK” TREES

Do you have a special tree in your yard? Have you admired a tree in a neighbor's garden? If so, please nominate these trees to be considered as “Landmark” trees of North Avondale. We are very loosely following guidelines set up by the East Row Garden Club in Newport when they established their Landmark Tree Program. Suggestions on criteria to consider when nominating a tree follow. Please send your nomination, and its location, and why you think the tree qualifies to Jolene Struebbe at jmstruebbe@gmail.com. A photo would be great as well! It is our hope that we can label/recognize these special trees publicly in the future! Note: This program is not intended to have legal overlays.

Ginkgo Trees at 4136 Rose Hill Avenue

The “Landmark Tree” program aims to recognize significant trees within North Avondale's urban forest. These trees are valuable assets to the community, and have continued to provide multiple environmental, physical, social, and economic benefits instrumental in shaping our neighborhood. The hope is that this program will encourage deeper appreciation of our trees, especially those of unusual size, historic or cultural significance or other unique characteristics. A tree may qualify as a Landmark Tree if it meets one or more of the following criteria:

- Has attained significant size in height, trunk diameter or canopy spread;
- Has significance because of its age;
- Has special aesthetic qualities for its species;
- Possesses rare horticulture value;
- Has historical significance to a person, place or event.

Final decision on inclusion in the North Avondale Landmark Tree program rests with the Beautification committee.

Jolene Struebbe, Co-Chair

- **Urban Forestry is now accepting requests for Street trees.** Requests are being taken through mid-July and trees will be planted in the Fall. Urban Forestry can

choose your tree or you can. They are taking special requests and encourage diversity in planting. For more details, or to request a tree be planted, please contact Marianne Prue at 513.861.9070 or via email at Marianne.pru@cincinnati-oh.gov.

We are very grateful to **Jolene Struebbe** for stepping up to be NANA's Beautification Co-Chair! (Parks and Gardens). Thank you, Jolene!

Also, many thanks to our expert volunteer gardeners who keep NA beautiful with their amazing contributions to our public gardens:

- **Deb Corwin, Beth Ewing, Carolyn and Jake Gillman, Emily Harten, Brian Hill, Kim Hubbard, Richard Jackson, Sarah Koucky, Charlene Morse, Mary Piper and Ann Wong**

Watch for Cincinnati Park's “Amazing Volunteer Lives Here” yard signs which will be placed in the yards of exemplary Park volunteers. With limited signs, these will be rotated among our amazing volunteers. **Sarah Koucky** made us proud as she was highlighted in *CincyParks Volunteers Newsletter* this month. Kiddos to her and all of our great park volunteers for making NA Shine!

We are still in search of volunteers to help with Gardening, and a Beautification Co-Chair primarily to act as Keep Cincinnati Beautiful liaison and litter control. Please email NANA@gmail.com if you can help.

Hope to see you out enjoying the neighborhood,

Maura Wolf, Interim Beautification Co-Chair

DEVELOPMENT

The Port has informed the NA Joint Strategic Development Committee that they are evaluating multiple applicants for the Rubel Property (3864 Reading Rd.). They will notify us when the time is appropriate for community engagement. Any further updates will be given at the Annual Meeting in May.

Jeff Herr, Chair and Beth Ewing, Co-Chair

EVENTS

Upcoming Events & Save The Dates

North Avondale Food Truck Festival – Sunday, May 30th, 2021 4pm – 8pm - Betula Avenue, North Avondale

North Avondale Food Truck Festival Update:

- **Food Trucks attending:**
 - Taco
 - Pizza
 - Soft Serve Ice Cream
 - Snow Cones
 - Beer from Madtree
 - Music
- No Plans Memorial Day Weekend? Save the date because we have something special planned for you! We would like to invite all of the North Avondale and surrounding community families out for our very own Food Truck Festival. We will feature varieties of dinner food, dessert

(Continued on next page)

and drinks for adults and children of all ages.

- We suggest everyone bringing some folding chairs or blankets to sit on and enjoy the food, music, fun and festivities.
- **North Avondale Yard Sale – Saturday, June 5th from 8am – 2pm**

It's time for Spring Cleaning and emptying out your house for the third annual community YARD SALE!!! The 4th Annual North Avondale Neighborhood Association Yard Sale will take place on Saturday June 5 from 8 am - noon.

If you will be participating with a sale, please send your address to Laurie Pike, northavondale@yahoo.com, so she can include it in the flyer that will be available to shoppers that day.

- **Sidewalk Shenanigans – Friday, June 18th 6pm – 9pm** Let's throw it back to the "Good Ole Days" when neighbors would hang out in the front yard or porch, laugh at the week's events and watch the kids play. We invite you to set up shop on the sidewalk with your favorite neighbors, turn on some tunes, set up some chairs, walk around and say hello to everyone, sip a cold beverage, share a cold beverage and enjoy the beautiful summer evening. Engage in HAPPINESS for HAPPY HOUR! Look out for a flyer with more details to plan ahead. Rain date will be announced on the flyer.

Future Events

All Future events will be posted in the Newsletter, Social Media, Email and on the NANA Website!

If you have any questions, concerns or would like to plan or volunteer for an event, please contact NANA Board Member & Events Chair, Morgan Rottinghaus:

Email: scopetto@msn.com, Phone : 917.683.0349

Thank you again to everyone who participates, volunteers and supports our community events. We appreciate you!!

***Keeping Community Strong,
Morgan Rottinghaus, Chair***

HEALTH & WELLNESS

When we think of health, we may think of our own personal health and images of sitting in the doctor's office may emerge. When we think of public health, we may gather images of health clinics and hospitals and the rush made by the federal government to provide vaccinations against the coronavirus. However, for decades, indeed, centuries, racism has been a factor in the quality of our health. But if racism did not show its face at your door, it never became worthy of a second glance. Yet, last year with the memorable killing of George Floyd, racism plopped

itself front and center at everyone's door step daring whoever opened the door NOT to acknowledge it. Racism has been a thorn in the backs of people of color since their arrival on these shores. It has unfairly showered advantages on some people and it has unfairly suffocated others with disadvantages. The topic is way too large to discuss here in this article, but it will no longer be ignored. Racism affects the health of people by preventing people from accessing quality health care. **The Centers for Disease Control have declared racism a public health threat.** Even the City of Cincinnati through the Cincinnati City Council made a resolution on July 30, 2020 expressing its belief that racism is a public health crisis in the city of Cincinnati. The Council further expressed its commitment to improve the quality of life and health of the city's minority residents. Given that, if we are concerned about our health and the health of others, what are YOU going to do about it? Everyone can do something. Ponder that.

Kimya Moyo, Health Liaison

LAW & SAFETY

•Clinton Springs & E. Mitchell Intersection Update:

This intersection is now an all stop. This was implemented since drivers were not yielding to pedestrians. The city will be installing a message board indicating a road pattern change and they will also be painting the street near the stop sign @ Clinton

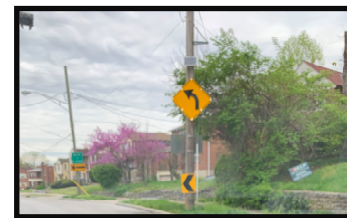

Springs...STOP.

•E. Mitchell (near Red Bud Ave) Update:

The city has installed a yellow flashing arrow sign near the curve going west on E. Mitchell, to try to slow down drivers. At this same location, DOTE will be installing a **High Friction Surface Treatment**. This is a safety-first pavement treatment intended to restore and maintain pavement friction to reduce crashes. It is a thin layer of high-quality polish-resistant aggregate bonded to the pavement surface with polymer resin binder.

Plans are to begin the installation on 6/7 and to be finished 6/11. Of course, this is weather permitting.

•The Planter on Red Bud Ave Update:

The repair work on the planter will be completed at the end of May and re-installed in June.

•Landlords

The city of Cincinnati is cracking down on landlords who are delinquent in taking care of their apartment buildings.

THE LANDLORD'S DUTIES

The landlord must:

Comply with requirement of any building, housing, health or safety codes which materially affect health and safety;

(Continued on page 4)

(Continued from page 3)

- Make all repairs and do whatever is reasonably necessary to put and keep the premises in a fit and habitable condition;
- Keep the common area of the building safe and sanitary;
- Provide trash and waste receptacles, if there are four or more apartments in the building;
- Supply running hot water, a reasonable amount of hot water, and reasonable heat at all times;
- Give tenant reasonable notice of intent to enter into a tenant's apartment and enter only at reasonable times;
- PROVIDE THE TENANT WITH THE NAME AND ADDRESS OF LANDLORD AND AGENT, IF ANY, IN WRITING AT THE BEGINNING OF TENANCY;
- Keep all electrical, plumbing, heating, ventilating, and air conditioning fixtures and appliances and elevators in good safe working condition, when these things are supplied or required to be supplied by the landlord;
- Not harass the tenant by unreasonable or repeated demands to enter the tenant's apartment. If the landlord or agent enters without the tenant's permission or repeatedly demands entry, the tenant can recover actual damages resulting from the landlord's entering.

If you are concerned with the conditions in your rental unit, please reach out to the city using the Citizen Service Request @ data.cincinnati-oh.gov or call them at 561.9000. You can also reach out to us @ nanacincinnati@gmail.com or call 401.5356 and leave a voicemail.

For more information go to the NANA Website <https://northavondalecincinnati.com/landlord-tenant/>

Carolyn Gillman, Chair

NANA CALENDAR

- Wednesday, May 12, 6:30-7:30, Events Committee Meeting
- Tuesday, May 18, JSCD Meeting
- Sunday, May 23, NANA Annual Meeting 4 pm Zoom: <https://us02web.zoom.us/j/7228542133> Passcode 45217
- Sunday, May 30th, North Avondale Food Truck Festival 4pm - 8pm, Betula Avenue, North Avondale
- Saturday, June 5, 8am - 2pm, North Avondale Yard Sale
- Tuesday, June 8, NANA General Meeting 7 pm Zoom: <https://us02web.zoom.us/j/7228542133> Passcode 45217

• **Burton Street Honorary Renaming on 6/12 from 10am to 2pm** More details to follow. Robin Pearl II was shot and killed on Burton Avenue on June 15, 2015 at the age of 18. She was at the wrong place at the wrong time and was not the intended victim

FROM YOUR NEIGHBORS

☞ It is time to update the Rose Hill, Beechwood, Betula, Redbud, Avon Fields block watch map and neighborhood directory.

If you have an interest and time (this summer) to help with this project, please reach out to Jolene Struebbe at jmstruebbe@gmail.com. I particularly need someone who knows how to re-create this map, as the neighbor who originally did it has long since moved out of the neighborhood, but all helping hands are more than welcome!

Let's get to know each other again!

Jolene Struebbe (Beechwood)

☞ Petra van Nuis, Chicago jazz singer, who grew up in North Avondale, will be appearing with her husband, Chicago jazz guitarist, Andy Brown, pianist, Rob Allgeyer, bassist Chris Berg, and drummer, Jan Leslie, at the Washington Park Porch, 12th & Elm Sts. On **Monday May 24 from 6-9 p.m.** in a free concert--"Chicago meets Cincinnati, featuring Petra van Nuis." <https://washingtonpark.org/series/jazz-in-the-park-2/> For more information about Petra, see www.petrasings.com

Hope you can come.

Rosalie van Nuis (Burton Woods Lane)

AROUND THE NEIGHBORHOOD

☞ There have been fox sightings in our neighborhood "Please do not hurt me or my mom. We just temporarily moved to the neighborhood so we could be safe."

If you have suddenly seen a fox in the yard near your home, there is a good reason for this. It is denning season. Between the end of March and early April, a mother fox will give birth to between 4 and 5 kits (a baby fox is called a kit). A coyote will often find a fox den, dig out the babies, and kill them. A mother fox knows this and will frequently choose a den site close to people, away from where coyotes generally go. A fox will often den under a porch, shed, garage, barn, or side of a hill, trying to keep her little family safe. Please offer them a short-term rental because this is not a permanent situation. If you are lucky enough to see how beautiful an adult fox is, or witness the kits playing (at a distance of course), you will be glad you did! It is not uncommon for Red Foxes to change dens several times during the season, so you may not see them for long. Kits are slow to develop and will not leave the den until they are about a month old. Foxes do not live in a den year-round, only when a mother has babies. During the summer as the kits grow older, you will see less and less of them, and by September everyone will have packed up and moved on. Please do not call a service to "relocate them", they will often be killed. If you see a fox during the day, it does not mean she is rabid. A mother fox works tirelessly to feed her kits and will often be out during daylight hours foraging for food. Foxes are omnivores, generally feeding on berries, grasses, and small rodents. They are solitary and prefer to be left alone. They do not want to hunt and eat your children, mate with your dog, or kill your cat. A fox just wants a place to raise her family safely, please allow her to do that.

<https://www.facebook.com/antlerridgewildlife/>

☞ Mill Creek

Mill Creek is a public stream and can be used by anyone at any time. That said, as you know, Mill Creek has an industrial past and there are parts of the creek that have physical obstacles which could be dangerous for someone who is not familiar with the area. Also, while the water quality in Mill Creek has improved dramatically and fish and other wildlife have rebounded equally strongly, we still don't recommend swimming in Mill Creek.

The water quality is quite good.....on a daily basis it's better than the Little Miami....but it still doesn't meet the State's standards for swimming. Canoeing, kayaking, wading, and fishing have a different standard and we frequently guide members of the public for these activities.

For anyone's first time on the creek, I would strongly recommend going out with us on one of our "Urban

New School Montessori Students Were Visited by a Tethered Hawk

Fourth graders are learning outdoor skills used by the protagonist in Jean Craighead George's novel, *My Side of the Mountain*, which features a boy and his peregrine falcon hunting together. Students took turns feeding morsels to the visiting Harris Hawk and allowed her to

take flight and land from their leather-gloved arms. They were thrilled to witness a bird of prey up close and flapping from one to another.

Students in 4th-6th grade gathered on the lawn behind their classroom to learn about many different birds of prey from the hawk's handler who did a great job of presenting and answering each student's questions.

As each child stood proudly, holding up this noble bird, we were reminded of a quote from Dr. Maria Montessori who said, "when children come into contact with nature, they reveal their strength."

A VISION 2020

Creative Integration of Arts and Sciences School

The new Creative Integration of Arts and Sciences program is open to students in kindergarten through grade 6. It provides an interdisciplinary curriculum aimed at building critical thinking skills through artistic expression. Students will create, perform, respond and connect to artistic and scientific concepts and materials. The arts-infused STEAM (Science, Technology, Engineering, Arts and Math) curriculum will empower each student to optimize their creative, collaborative, critical thinking and communication skills within a thriving community. Read more about our Creative Integration of Arts and Sciences Focus.

FROM NONPROFITS

✿ This past year I joined the steering committee for the **Talbert House Fatherhood Project in Cincinnati**.

Talbert House's mission is to empower children, adults, and families to live healthy, safe, and productive lives. The Fatherhood Project is a free program which assists men in their efforts to become responsible, committed and nurturing fathers. Through classes, mentoring and child/father activities, the fathers are able to learn how to better meet the needs of their children. This year we are on track to assist 500 men and on average our clients have three children which means over 1,500 children will be impacted. Some of which are right here in NA!

We are currently collecting donations in support of Talbert House's 2021 Father's Day Raffle/Auction which will benefit the Fatherhood Project.

If you are able or willing to make any donation to our raffle/auction - whether gift certificates, tickets to sports, music or cultural events, or any products of value - please feel free to email me directly - johnarmandjacobs@gmail.com and I can provide you with donation forms and details.
