### PRESIDENT'S MESSAGE

Dear neighbors,

October is already here with a lot of news and information in our newsletter, so I will keep my message short. But here are a three items I would like to point your attention to:

- The beautification committee hosted a clean-up day Saturday September 19th with focus on the mural garden area. A huge thank you to Janet and Bob Banks, Cindy Crown, Edie Gaudio, John Johns, and the Xavier students who all volunteered their time. The mural garden looks great! It is amazing what a few hours volunteer work can do to keep our neighborhood beautiful, so I would encourage everyone to consider volunteering ... even only an hour or two ... either in our gardens or just for general clean up in and around the streets. Please contact anyone on the NANA beautification committee or board, and we can keep you updated on organized volunteer events.
- NANA has been updating our website with a new "look and feel", and also with enhanced features such as real time news feeds and online dues payments. The site will go live in October or early November. Check it out then!
- We are also very excited to welcome the new **City Manager Harry Black to the NANA General Meeting on November 11th**. Please mark your calendars to attend this meeting in the NAM Cafetorium and come prepared with any questions you may have for the City Manager.

Have a great October!

### NANA COMMITTEE UPDATES

#### BEAUTIFICATION:

Jan & Bob Banks, Cindy Crown, Ursula Hassel, Edie Gaudio and John Jones worked with the XU students on Sept 20th to weed the mural garden and pick up trash on Reading. It looks fabulous!!!

View the beautiful Dana Triangle (between Dana, Victory Parkway and the Dana bypass) gardens below cared for by gardeners Richard Jackson, Mary Piper and Emily Brown. Seasongood Square gardeners are Mary Ann Knoop and Emily Harten. If you are able to help with ongoing garden maintenance, please email Beth at betha.ewing@gmail.com. Every little bit helps.

### Street Captains needed:

A Street Captain gathers and documents contact information for neighbors on their street to facilitate communication among neighbors for special events (e.g., block parties), crime prevention concerns (e.g., watching neighbors houses while their away, reporting suspicious behavior), or in the event of an emergency. Contact Carolyn Gillman, tel. 284.2298, or nanacincinnati@gmail.com to volunteer or for more information.

## EDUCATION/RENTAL HOUSING:

The Education/Rental Housing committee connects with the Avondale neighborhood in our common interests. We would like to share their plans and efforts which are having an impact on our entire community.

Avondale Community Council (ACC) was awarded the Choice Neighborhoods grant through HUD to rehab certain apartment buildings that were abandoned by the owner, and yet still occupied by tenants. They chose The Community Builders (TCB) to do the project, which included working with the tenants to meet their social service needs and reinforce tenant skills.

The Avondale Comprehensive Development Corporation (ACDC) was formed by ACC to help plan and develop buildings in that neighborhood as well as assist residents in becoming contributing citizens in their community. ACDC and TCB are working together in this effort.

As a result, 7 buildings have been bought by TCB. They will be rehabbed, families who meet the criteria will be moved in, and the properties managed by TCB. The plan is for the current families to be moved out while the renovations are being done and then to return.

Many of these buildings are in or near the area that both Avondale and North Avondale see as their neighborhood, so the improvements will impact both neighborhoods.

This committee meets on the **first Thursday of each month at 1:30 PM at District 4.** For this months update on NANA's **Adopt-A-Class** at our neighborhood school South Avondale look on page 5 at the North Avondale Schools & Recreation section.

Many of you helped HOME through participation in the focus groups earlier this year in which you shared your thoughts regarding impediments to fair housing in Cincinnati and Hamilton County. We completed our document and submitted it to the city, which opted to change some of our recommendations.

**Now is the time for you - and all residents of the city and county - to give your feedback to the city/county.**

A draft of the Analysis of Impediments to Fair Housing Choice is posted online along with the city's huge, 5-year Consolidated Plan. The Analysis itself starts at page 25 of the Attachments (second link at [www.cincinnati-oh.gov/community-development/references-resources/consolidated-plan/](http://www.cincinnati-oh.gov/community-development/references-resources/consolidated-plan/)).

The recommendations and the City's "2015 Action Plan" responses are in the last section of the Analysis (pages 80-89 of the Attachment document). As noted, in addition to adding their Action Plan responses, they changed some of HOME's recommendations before publishing it.

We encourage you to share your thoughts with the city/county during the comment period. Please also pass along the information to others, so that they can share their thoughts as well. The comment period lasts only a few weeks.

NAM Back to School Picnic!

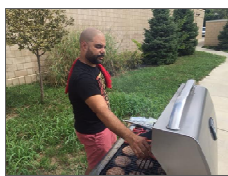

On Saturday, September 6, 2014, NAM hosted their annual "Back to School Picnic!" Over 150 parents and students made their way to school to share in conversation, food, drinks and fun!

The NAM Father's Group grilled hamburgers and hot dogs for the guests while parents brought in covered dishes. Principal Lewis remarked, "We had a large selection of food and I appreciate all the work done on the grill by Mr. Mullins and Mr. Hill.

Also our parents did an awesome job bringing in side dishes. Our community had a great time!"

"Because soccer started on Saturday we were concerned about the attendance, said PTO President Shannon Sanker. But our families still supported the event and we had a steady flow of parents and students right up until 1 PM. This is a great to welcome new parents into our school community."

"Montessori philosophy believes in building a strong school community. The Back to School Picnic is one of many

activities we host at school during the year. It's our kickoff event to welcome our students, parents and staff back to school. I am always impressed with our parent involvement," said Principal Lewis.

The next event at NAM was the annual camping trip sponsored by the NAM Father's group on Saturday, September 20 and 21 at Morgan's Livery.

## TNSM Observes International Day of Peace

The New School Montessori was the only school in Ohio to be given a peace pole to decorate for this year's observance of the International Day of Peace. This annual

celebration was established over 30 years ago by a resolution of the United Nations General Assembly and has been observed throughout the world. Students age 3 to grade 6 created glass art that adorned the pole. Teachers and students assembled around the pole to sing, read poems and to talk about the importance of peace in our world and what they can do to promote peace today.

## Community Pumpkin-painting Party and Open House

Please join us for a community pumpkin-painting party on Sunday, October 19 from 2-4 p.m. Your family may gather in the Art Studio in the Enrichment Center to paint a pumpkin, or you may choose to begin with a tour of the Mitchell Mansion and the other buildings that are part of our campus and part of our preprimary and elementary programs. All are welcome to attend.
