#### PRESIDENT'S MESSAGE

Dear neighbors,

With two months since last issue, NANA has a full newsletter showcasing many things going on in and around the neighborhood. Please read and enjoy!

For the NANA fall season, we have the pleasure of hosting Police Chief Blackwell at our October 13<sup>th</sup> general meeting and Mayor Cranley at the November 10<sup>th</sup> meeting. They will speak about city priorities and their initiatives that impacts our neighborhood, and we also want to make sure the residents of North Avondale have a forum to bring up suggestions to the top city representatives.

Finally, here is a link ([http://citybeat.com/cincinnati/article-33474-that\\_which\\_divides\\_us.html](http://citybeat.com/cincinnati/article-33474-that_which_divides_us.html)) to an interesting article in *City Beat*. North Avondale comes out well as the most integrated neighborhood in the city ... which is no surprise. North Avondale has many opportunities for improvement, but I think we are the best example of a neighborhood thriving because of all types of diversity.

Have a wonderful Labor Day weekend, and I hope to see as many as possible at our general meeting Tuesday September 8<sup>th</sup>!

*Hanne Loken Larsen*

#### AROUND THE NEIGHBORHOOD

☞ Greeting neighbors! If you have not signed up to be part of a free neighborhood social network please consider doing so today. Here is information about the site "Nextdoor Neighbor".

- **Nextdoor** is the private social network for you, your **neighbors** and your community. It's the easiest way for you and your **neighbors** to talk online and make all of your lives better in the real world. And it's free. Thousands of neighborhoods are already using **Nextdoor** to build happier, safer places to call home.
- Nextdoor: <https://nextdoor.com>. Please sign in to be verified or email Heather Herr at [herr@comey.com](mailto:herr@comey.com) to a link of invitation to the site.

#### ☞ Luminary 2015

Save the date for **Saturday, December 12**. Looking for Street Captains for Luminary 2015. If interested or for more information contact Michelle Baxter or Carolyn Gillman (emails on page 6).

#### NANA COMMITTEE UPDATES

##### BEAUTIFICATION:

Welcome to Emily Harten and Bridget McComas as NANA's new Beautification Co-Chairs. Thank you to Beth Ewing our outgoing chair for the wonderful job she did as chair. We are fortunate she will continue on taking care of her flower bed at Washington & Clinton Springs.

##### HEALTH

##### Health Department News:

- The Health Department Fair that was originally scheduled for August 8 was postponed until a later date TBA. It was postponed as to not conflict with the Avondale Community Celebration on the same date.

- The Cincinnati Health Department (CHD) confirmed a mosquito pool in Mt. Airy Forest that tested positive for West Nile virus August 25, 2015.

Most people infected show no symptoms and less than 1% develop serious neurological illnesses. Those who develop a fever, headache, muscle aches, vomiting and loss of appetite within 15 days of a mosquito bite should see a doctor. Those most likely to develop serious illness are the elderly, very young and immunocompromised and pregnant women.

The Cincinnati Health Department has been trapping mosquitoes since the late 1980's in an effort to monitor the spread of disease.

##### Prevention:

- Early morning and evenings are peak biting periods.
- Avoid infested areas (tall grasses and weeds) and shady areas.

### LAW & SAFETY

NANA's Law and Public Safety Subcommittee Meeting will take place on Wednesday, September 16, 2015 at 6:30 pm at District 4 Police Headquarters, 4150 Reading Road.

Captain Maris Herold, Mark Manning, Assistant Cincinnati Solicitor and Officer Lori Hamann will attend.

The main agenda item will be 3652 Reading Road and any other issue(s) raised by the subcommittee. To attend, email [nanacincinnati@gmail.com](mailto:nanacincinnati@gmail.com).

### **Marvin Masterson**

Hundreds attended fundraiser for PO Kim's family. People attending the Mount Lookout event said they wanted to celebrate Sonny Kim's life, help support his family and focus on the positive. NANA Board Members Michelle Baxter and Maura Wolf (seen in the picture with Assistant Chief Eliot Isaac) represented NANA at the Sonny Kim Benefit. Kudos to Marcy Lamb from D4 for her leadership in organizing this event.

NANA received a nice letter from Chief Blackwell thanking them for their donation and support during the funeral of PO Kim.

Kudos to Barry Whitton, Dan Martina and Captain Jeffrey Butler for their efforts in strategic planning and operations of the cameras. Also, to Assistant Chief Isaac for helping support our camera grant starting with the first letter of support in 2007.

## **IN MEMORIAM**

Else de Jong, died at home on August 8 2015, a few months before turning 79. She moved to the United States with her husband Kees deJong and their four sons Onno, Remco, Mark and Robbert, on August 20 1970. A few months later, in December, they moved to North Avondale. From her native Netherlands, she brought a passion and talent for gardening, and through long hours of hard work, she gave North Avondale one of its most exquisite gardens. In early spring, the corner of Betula and Red Bud would be covered in yellow and white, and multicolored tulips. Those would be followed by waves of pink and purple, then by flowers of every shape and color, by the vine and the fig tree. She would cook creative and delicious multi dish dinners to family and friends with vegetables recently picked from her gardens, followed by a dessert of her garden's delicious berries.

She was active, courageous, strong and independent, and would not accept the limitations imposed to women of her generation. In the mid 70's she went back to school and became a successful potter and business woman, with her own studio. She would fill her van with her beautiful bowls, dishes, pots, cups and vases and travel all around the midwest to participate of various arts fairs. She was generous to the arts and to numerous charities, and actively engaged in many equality causes. Frustrated by not being able to vote in the US, she got involved in many political activities. She loved life, was grateful and joyful, and -loved- dancing. She was lucky to be able to travel extensively around the country and the world with her family and also in recent years with her dear caregiver, Victorine, to her native Ghana.

Alzheimer's disease, little by little, robbed her of the ability to engage in her many passions. While brokenhearted, her family was proud to witness her strength prevail in the end, by her courage to decide that it was time to go, to end in her terms. Her body was donated to science to help others who suffer from this cruel disease, and later cremated. She is survived by her son Onno, his wife Motomi and their son Taiyo; son Remco, his wife Thais and daughters Lorena and Clio; son Mark, and son Robbert, his wife Valerie and their children Mundy, Christian, Graydon, Elsha and Basil.

In lieu of flowers, the family suggests donations to the Alzheimer's Association (<http://www.alz.org/>) or the American Community Gardening Association (<https://communitygarden.org/mission/>.)

**Thank you for paying your NANA Dues Today!**

**Back to School Picnic Huge Success!**

NAM hosted their annual Back to School picnic on Saturday, August 22nd. The event had over 200 people in attendance and old friends along with new parents had the opportunity to meet each other and share summer experiences. The NAM Foundation, PTO, and Father's Group (NAMFG) orchestrated the picnic. The Foundation purchased

hamburgers, hot dogs, and soft drinks, the NAMFG prepared the food, and the PTO coordinated the parents bringing in side dishes for the picnic.

"This was truly a team effort," said Principal Lewis. "All of our support groups played a major role in sponsoring the Back to School picnic. To have such a tremendous turnout and support shows how much our parents and students are vested in our school community."

"We could not have asked for any better weather. Sunny skies and low humidity made it pleasant for our children to play outdoors and parents to eat and socialize," said PTO President Page Seck. "To have the picnic come together with all of our organizations contributing and to observe the interactions among our parents and children was awesome! That is one of our goals in hosting this event."

"With the huge turnout and all of the positive energy I observed, the Back to School picnic was a tremendous success," said Ann Di Nardo, PTO, Vice President. "I look forward to hosting the event next year!"

## FROM THE CITY/ COUNTY

### ☞ Neighborhood Support Program (NSP)

NANA receives City money through the Neighborhood Support Program (NSP) for projects and activities that enhance the quality of life in our neighborhood. This year we are eligible to receive \$6,800

Presently, the categories for our projects and activities are: **Membership & Communication** (NANA News, membership connections and activities, website, mailings) and the **Look and Feel** (Clean-up & Beautification, Land Development & Improvement; Environmental Affairs, Law Enforcement & Safety, Youth Workers/Litter Picker Uppers). Though we can propose new categories, the majority of projects that are proposed to the Board, fit within these categories.

At the **Tuesday, September 8** NANA General Meeting we will vote on this proposal to submit to the City. If you have any ideas or suggestions, please come to the September 8 meeting or contact us by email or the NANA answering machine.

### ☞ Fall ReLeaf - Free Trees Available From The City!!!

The annual ReLeaf program began in 1988 with a mission to provide trees for homeowners who either have lawns that are too narrow to be planted by Urban Forestry or for those with conflicting utility service structures. The program has expanded to include schools, community areas, and other public green spaces. Eligible participants are provided a tree to plant in their front yard, providing the beauty and energy-saving benefits street trees bring. Funding from Duke Energy and the Cincinnati Parks Foundation allows us to provide the trees to Cincinnati property owners at no cost to them. To date, we have given away more than 18,000 trees.

If you are interest in participating in the ReLeaf program, please go to the below link to see program guidelines, tree selection, and the application.

The information and tree descriptions for ReLeaf 2015 are on our website. <http://cincinnati.parks.com/index.php/urbanforestry>
