	Topic	Discussion Lead	Issues/Decisions	Actions & Assignments
2 Min	Call to Order – Welcome, Introductions	Heather Herr	Board meetings- 1st Tuesday of each month. March 5 <sup>th</sup> . Nana meetings 2 <sup>nd</sup> Tuesday will be March 12.	Happy Valentines Day!
10 Min	Police, Fire- Crime Report Recreation Center updates	Various	Police report- Offer Hill Fire department Rec center updates- Blake	Arrest of two men on Burton Woods. Speed wagon replaced and working. Email offer Hill for any issues. 569-8678. Kevin Martin running radar this week and more. CRC has edits for memberships. Will scan. NANA need to remove the items from the closet. ASAP. Fire department not present.
10 Min	Tristate Wildlife LLC	Andrew Scharstein	Coyotes and other wildlife discussion. Andrew.scharstein@gmail.com	He dose all animal removal. Spoke a lot about coyotoes since this seems to be a huge issue in the community. No wolves present here. They eat small rodents or house pets. Previlant this time of year. They move all around. Fox are also around too. They get a lot of calls on these. They burrow. Not danergous to humans. Very timid. Do not leave cat food out. Cats should stay outside. Any wildlife companies will come to get a deceased animal if in homeowners yards but city will take from public spaces. Posuam eat ticks and actually good to have around. If you trap an animal in your house you need to take them over 20 miles away or they will come back. Saphire seed may not attract other animlas and good

				for birds., Andrew Scharstein left brochures and cards.
10 Min	Cincinnati Health Department New Health Commissioner	Melba Moore- Health Commissioner 513-357-7280 Melba.moore@cincinnati-oh.gov	Cincinnati Health Department Services	New Health Commissioner for the City of Cincinnati. Referenced back to Andrew thanking him. From St Louis. There she was responsible for animal control. Spoke of TNR-Trap, neuter, release. Spoke about the Robling Bridge and she loves that bridge and part of why she loves the city. She said its all about connections. Her goal is to make Cincinnati the Healthiest City ever. 7 health centers. 13 based school health centers. Substance abuse support places offered called safe places Cincinnati. Home visitation services offered. She discussed all the support options they offer for moms, kids, etc. Working with Director Betts. Beth asked question: Do all CPS schools have a nurse? No not all of them. Childrens hospitals have them attached to most schools. Another question came up about siringe use.
10 Min	Urban Farming	April Pandora	Eden Urban Gardens, LLC	15% of food grown in the world is grown in cities. April is the owne. They grow food and sell it. She is an urban farmer. Woman owned business. There is one in Avondale. 3 ways to purchase. 1. become a shareholder which is delivered. \$450 a year. 2. Specialized orders call or text deliver Tuesdays. 3. Come to farmers market in Pleasant ridge or Norwood. Left a list offered in the Bounty bag. Left cards. Will do consultation work too.
