Community Center

- Thanksgiving Day Free Dinner at Hirsch Center.
- There is a decline in participation in Community Center activities without school.

Police

- Be vigilant about home safety during the holidays.
- Handout was distributed that provided tips regarding holiday shopping.
- Put packages in trunk out of sight.

Crowley's Proposal on Empty Lots

- Use empty lots to grow flowers and vegetables.
- Grants for teens to work on flower beds.

Landlord Accountability Public Hearing on Ordinance 761

- Landlords association sued city.
- There was no accountability for the plans.
- Call or email Charlene if interested in meeting.

Updates

- Communication Cell Tower Appeal
- 115' tall monopole cell phone tower on Duke Energy property.
- Zoning board allowed a variance on height because it will collapse to a height of 37'.
- Duke energy needed a tower that height for Cricket to have required range.
- Marvin Kraus recommended to NANA not to appeal decision.
- Landscape conditions still hold so not appealed; 20' tall trees around tower.
- Was approved because an Engineer put his license on the line instead of insurance requirement.

NSP Project Categories

- Charlene Morse and Fred Fegan were commended for their auditing.
- Invest in Neighbors helps neighbors with money city gives to invest in neighbors, money for business district.

Old Business: none

New Business

- New residents of N. Avondale were introduced.

Adjournment

- John Jones made motion to adjourn the meeting and Nikki Kittrell 2nd it.
- Meeting adjourned around 8:36 p.m.
