

Save the dates for community beautification – ObLitterators, Spruce up + prep for fall

Description

Join your neighbors in keeping North Avondale's green spaces beautiful this year. We plan to have the events at two neighborhood locations: Seasongood Square (corner of Clinton Springs and Reading Road) and Washington Triangle (corner of Clinton Springs and Washington). All supplies for clean up will be on site. Students will be approved for school community service hours. Tentative time for each event is 10:30 am -1:00 pm. Snacks and water will be provided.

Not required but appreciated, RSVP interest form: <https://forms.gle/LHN6LXfudD7okPiU8>

Save these three dates now for various clean-up, planting and maintenance events taking place in the months ahead:

- **June 9:** ObLITTERators event when North Avondale partners with Cincinnati Parks for a neighborhood clean-up day
- **July 7:** Summer Spruce Up for weeding, watering, replanting, if necessary, and picking up litter at Washington Triangle and Seasongood Square
- **September 28:** Fall Beds weeding, clean up and prep for fall at Washington Triangle and Seasongood Square

Note: The April 13 Spring Garden Clean Up at Washington Triangle and Seasongood Square has been canceled. Please reach out for further opportunities to join your neighbors in spring clean-up and beautification efforts.

Thanks to volunteer efforts like these, North Avondale Neighborhood Association was recognized by [Keep Cincinnati Beautiful during the “Love They Nati” awards](#), which took place on February 25, 2024.

NANA was specifically honored for its Spring 2023 Clean Up.

Pictures from the event and recognition in front of several neighborhood community councils were shared during the ceremony. [Click here to view highlights from “Love Thy Nati.”](#)
